

## **TPAC Special Meeting 9/7/2013\*\***

In reference to an email I received from Stephanie today regarding two issues discussed for recommendation at the 9/4/13 regular TPAC meeting. She said we need to make motions and vote before presenting our recommendations to the MPD Board. So I would like to call a short 15 to 20 minute meeting tomorrow morning at Friendz Café at 8:30 am. Our agenda will include two items as follows;

- 1.) Entertain a motion for recommendation to the MPD Board a fees increase for 2014
- 2.) Entertain a motion for recommendation to the MPD Board on a workable list of health and safety issues at the Pool.

**\*\*The original agenda for this meeting was captured through email. This document was created to provide a record of the items considered at the meeting.\*\***
