TPMPD Employee Handbook: Acknowledgement and Agreement81

Dear New Staff Member;

Welcome to the Tukwila Pool! As a new employee, it is important for you to know what is expected of you. This handbook contains a large amount of information that we hope will help you be an excellent addition to our team.

Kids have been going to pools for generations and looking up to the Lifeguards and swim instructors and saying, "Maybe someday I could do that!" We are proud to know that working at a pool is something that many young people aspire to.

We hired you because we believe that you will appreciate and enjoy working at the Tukwila Pool and you'll make sure our community members enjoy coming to the pool too.

To do that, every Tukwila Pool employee needs to keep two things in mind above everything else. They are:

Stay Safe & Have Fun!!!!

I hope that your time with the Tukwila Pool is a great experience for you. Thank you for sharing your talents and joy with us!

Warmly,

Michelle Simpson
Director of Aquatics Operations
Tukwila Pool Metropolitan Park District

1. General Information

1.1. Introduction

The Tukwila Pool Metropolitan Park District (hereinafter “TPMPD” or “the District”) exists under laws of the State of Washington governing Metropolitan Park Districts (RCW 35.61) for the sole purpose of operating the Tukwila Pool on behalf of the residents and taxpayers of Tukwila.

- 1.1.1. The District is governed by an elected Board of Commissioners (hereinafter “The Board”) who are accountable to the residents and taxpayers of Tukwila. The Board is responsible for adopting strategic plans and policies to support those plans and guide the current and future operations of the District and the Tukwila Pool. The Board’s policy-making activities include the adoption of goals & objectives, operational policies and long-term plans. They also make decisions about which programs and services will be provided, adopt the annual budget and approve capital improvements to the facility.
- 1.1.2. The Director of Aquatics Operations is responsible for ensuring effective operations of the Tukwila Pool, supervises the Tukwila Pool employees, volunteers, and contractors in the performance of their duties, and is accountable to the TPMPD Board of Commissioners. The District Administrator is responsible for ensuring that the TPMPD policies are carried out, and is accountable to the TPMPD Board of Commissioners.

1.2. History of the Tukwila Pool Metropolitan Park District

The Tukwila Pool facility located at 4414 S. 144th Street was built in 1973 as part of the King County “Forward Thrust” project that placed community parks and pools all around the area. The South Park Pool (as it was originally called) was owned by King County and built on Tukwila School District property with the understanding that the pool would serve the youth of Tukwila by providing an easily accessible resource.

In 2003, the City of Tukwila took ownership of the pool in exchange for the South Park Bridge and an arrangement was made to continue leasing the land it sits on from the Tukwila School District. Unfortunately, economic issues forced the City of Tukwila to consider closing the pool just a few years later. In response, a group of citizens banded together to form “Save Tukwila Pool” and they put a ballot measure before Tukwila voters in 2011 proposing the formation of a new entity to own and operate the pool. Tukwila voters decided in favor of the measure and the Tukwila Pool Metropolitan Park District was established in September of 2011.

The TPMPD is not a private or non-profit organization. It’s what’s known as a Special Purpose District, which means it is a publicly-owned government entity funded by residents and businesses within the district boundaries through property taxes. The voter-approved annual tax (known as a levy) supporting the TPMPD is .15¢ for every \$1000 of a property’s value. For example, the owners of a property in Tukwila valued at \$100,000 would pay a tax of \$15 per year toward the TPMPD. Property owners who rent or lease spaces to others include property taxes when calculating their costs, so every resident or business-operator in Tukwila, whether they own or rent, is paying the levy to support the pool.

When the TPMPD was first formed, the original ballot measure established the Tukwila City Council as the “ex officio” Board of Commissioners for the district. This meant they would provide governance for the TPMPD as one of the many responsibilities of their official role as City Council members. In turn, the Board contracted with the City

of Tukwila to completely operate and manage the pool as well as provide administrative support. The Board also appointed a citizen's advisory group, called the Tukwila Pool Advisory Committee (TPAC) and hired an Executive Director to carry out the work of the Board of Commissioners and manage the District.

In mid-2014 the City of Tukwila announced their intention to withdraw from operational management of the pool and the Board of Commissioners voted to self-operate instead of hiring another contractor. In January 2015, the TPMPD took over direct management of the Tukwila Pool for the first time. In preparation for this, the TPMPD hired its own staff to run the pool and provide administrative support that had previously been contracted out to the City, such as IT, human resources, records management, and financial operations.

In 2015, another ballot measure was put before the citizens of Tukwila asking if voters wanted an elected Board of Commissioners instead of the "ex officio" Board made up of Tukwila City Council members. Again, the voters supported the change and in December 2015 an independently elected 5-member Board of Commissioners began governing the TPMPD.

The current Tukwila Pool facility is over 40 years old and the new Board of Commissioners have prioritized the long-term financial health of the district to ensure that Tukwila residents will have a pool for generations to come. Currently, about 80% of the Budget comes from the levy and the other 20% will come from fees collected through swimming lessons, facility rentals and other general uses. Publicly-funded pools need to do more now than ever to remain a valued and vital resource in the eyes of the community. But because drowning is still the second-leading cause of death for young people from one-year-old to 17-years-old in Washington State, our need for a local, accessible, public pool will never end.

1.3. Mission Statement, Vision Statement and Organizational Values

1.3.1. TPMPD Mission Statement:

To provide a welcoming public aquatics facility managed in a fiscally-responsible manner with a focus on safety. We carry out this mission with a Board and staff who are compassionate, inclusive and responsive to the needs of our diverse community, working to foster positive and life-long experiences with aquatic environments.

1.3.2. TPMPD Vision Statement:

Contributing to the quality of life for our community, and for future generations, through welcoming, fun, safe and positive aquatic experiences at the Tukwila Pool.

1.3.3. TPMPD Organizational Values:

1.4. Purpose/Scope of Employee Handbook

This Employee Handbook is a general informational guide to Tukwila Pool Metropolitan Park District's current employment policies and practices. Any standard operating procedure needs to be consistent with these policies and approved in advance by the Board of Commissioners. An electronic copy of this handbook is available on the TPMPD Policies page of the website at www.tukwilapool.org.

1.4.1. The policies in this handbook are not intended to create promises or guarantees of employment or specific treatment in specific instances on which employees may rely.

1.4.2. The provisions in this handbook have been developed at the discretion of the Board of Commissioners, and except for the policy of employment-at-will, may be amended or cancelled by them at any time as is deemed necessary and appropriate, and shall provide notice within 30 days to changes to this handbook. TPMPD also reserves the right to deviate from these policies in individual situations, particularly in an emergency, to achieve its primary mission.

1.4.3. These personnel practices and policies apply to all Tukwila Pool Metropolitan Park District employees.

These provisions replace all previous policies and may not be changed or added to without the express approval of the Board of Commissioners.

1.5. At Will Employment

All employment with the Tukwila Pool Metropolitan Park District is voluntarily and at will. "At will" means that employees are free to resign at any time, with or without cause. The District requests a ten day courtesy notice of resignation from the employee. Likewise, "at will" means that the District may demote or terminate employment, change job duties, or alter benefits of any employee, with or without cause.

1.6. Equal Employment Opportunity

Tukwila Pool Metropolitan Park District is an equal opportunity employer.

1.7. Non-Discrimination Policy

Every employee has the right to work in surroundings that are free from all forms of unlawful discrimination. The District will not engage in or tolerate any discrimination prohibited by local, state or federal law. Specifically, the TPMPD prohibits discrimination against an employee on the basis of their sex/gender (including gender identity), race, color, religion/creed, national origin, pregnancy, age, marital status, sexual orientation, physical or mental disability, military or Veterans status, or any other status protected by federal, state, or local law.

- 1.7.1. Reporting Discrimination. Any alleged act or complaint of discriminatory treatment by any District employee should be promptly reported to the Director of Aquatics Operations (or to the Board of Commissioners if the Director of Aquatics Operations, is the alleged perpetrator of the discriminatory action) for appropriate investigation and action.
- 1.7.2. Reasonable Accommodations – Disabilities. The District recognizes that employees with physical or mental disabilities may need reasonable accommodations to enable them to perform their essential job duties. Any employee who believes s/he needs reasonable accommodation should notify the Director of Aquatics Operations or designee.
 - 1.7.2.1. Although the need for accommodations is determined on a case by case basis, generally the District and the employee will engage in an interactive process with the employee and the employee's healthcare provider(s) to confirm the existence of the condition, its impact on the employee's ability to perform the essential functions of his/her position and possible reasonable accommodations. The employee has an obligation to cooperate with the District in this process, which may include authorizing the District to communicate with the employee's healthcare providers concerning the employee's condition, its limitations and possible reasonable accommodations.
 - 1.7.2.2. Any reasonable accommodations shall be approved by the Director of Aquatics Operations.
- 1.7.3. Reasonable Accommodations – Religion. The District respects the religious beliefs and practices of all employees and will make, upon request, an accommodation for such observances when a reasonable accommodation is available that does not create an undue hardship on the District's business.
 - 1.7.3.1. Any employee who sincerely believes that his or her religious beliefs or practices conflict with his or her duties, work schedule, or with the District's policy or practice regarding dress and appearance, or with other aspects of employment and who seeks a religious accommodation must request accommodation from the Director of Aquatics Operations. The request should explain the alleged religious conflict that exists and the employee's suggested accommodation.
 - 1.7.3.2. The District will evaluate the request considering whether a work conflict exists, whether an accommodation is available which is reasonable, and which would not create an undue hardship on the District's business or for its other employees. Any reasonable accommodations shall be approved by the Director of Aquatics Operations.
 - 1.7.3.3. As a publicly-funded, government entity, the TPMPD may not make any accommodation that would allow an employee to discriminate against anyone, or actively promote a particular belief system to others (including, but not limited to, proselytizing and/or unsolicited distribution of religious materials) while on duty or on the TPMPD premises.

1.8. Safety

The District endeavors to use reasonable efforts to provide a safe working environment which protects employees and the public from injury. Every employee is responsible for maintaining a safe work environment and following the District's safety rules. Each employee is expected to promptly report all unsafe or potentially hazardous conditions to his/her supervisor. The District will endeavor to remedy problems as quickly as possible.

- 1.8.1. Employees should exercise caution in the performance of duties. Always observe the special safety rules applicable in each work area and follow at all times general rules of safety.
- 1.8.2. Employees are expected to comply with the following specific safety rules, including but not limited to:
 - 1.8.2.1. Report immediately any injury or accident, safety hazard, or property needing repair to the shift supervisor.
 - 1.8.2.2. Keep your individual work area clean and orderly at all times.
 - 1.8.2.3. Do not smoke or permit others to smoke in or near the building.
 - 1.8.2.4. Do not allow unauthorized people to have access to restricted areas.
 - 1.8.2.5. Store all materials and equipment in their proper places and appropriately.
 - 1.8.2.6. Conduct themselves in a professional manner at all times while on work premises.
 - 1.8.2.7. Drive safety and courteously when operating a vehicle as part of work.
 - 1.8.2.7.1. If your job duties include lifting heavy objects, do so with the appropriate equipment and/or assistance.
- 1.8.3. Accidents and Accident Reports - In case of an accident involving personal injury or property damage, regardless of how serious, the employee must immediately notify their supervisor. As soon as practical, but in no case later than twenty-four (24) hours following an injury or accident, or suspected injury or accident, an employee must complete an accident form describing the circumstances surrounding the incident.
- 1.8.4. Affected employees will complete an "Incident Report" form to report all work-related injuries, illnesses, or "near miss" events (which could have caused an injury or illness) – no matter how minor.
- 1.8.5. Supervisors who receive a report of an injury or "near miss" event are obligated to take steps toward addressing the issue. Whenever possible, efforts should be made to eliminate the hazardous condition either immediately or within a reasonable time frame. If the hazardous condition is inherent in the nature of the work, the supervisor has an obligation to train all employees who come into contact with the situation on proper safety practices and methods which could reasonably limit future injuries.
- 1.8.6. Employees should exercise all reasonable caution in the performance of duties, and shall follow and adhere to published safety rules, regulations, and controls.

1.9. Workplace Harassment

Harassment encompasses unwelcome conduct, whether verbal, physical, or visual, that is based upon a person's protected status, such as sex, sexual orientation, gender identity, color,

race, ancestry, religion, natural origin, age, disability, marital status, veteran or military status, citizenship status, or other, protected group status. The District will not tolerate harassing conduct that affects tangible job benefits, that interferes unreasonably with an individual's work performance, or that creates an intimidating, hostile, or offensive working environment. All employees must be sensitive to the feelings of others and must try not to act in a way that might be considered harassment by someone else.

- 1.9.1. Sexual or any other type of unlawful verbal, physical, visual harassment of co-workers, co-employees and members of the public is absolutely forbidden. Employees are expected to not act in a way that might be considered harassment by someone else.
- 1.9.2. Harassment can take many forms. Prohibited harassment includes, but is not limited to:
 - 1.9.2.1. Verbal (e.g., racial, sexual or ethnic jokes, stereotypes and insults).
 - 1.9.2.2. Physical (e.g., sexually suggestive or unwelcome touching or obscene gestures).
 - 1.9.2.3. Visual (e.g., insulting cartoons, sexually suggestive or lewd pictures or photographs).
 - 1.9.2.4. Sexual harassment can include non-verbal behavior such as suggestive looks or leering; and physical behavior such as pats or squeezes; repeatedly brushing against someone's body; obscene or rude sexual comments, jokes or suggestions; slang, names, or labels such as "honey," "sweetie," "boy," or "girl" that others find offensive; talking about or calling attention to another employee's body or sexual characteristics; displaying nude or sexual pictures, cartoons or calendars in or on District property; continuing unwelcome behavior after a co-worker has objected to that behavior; or blaming the victims of sexual harassment for causing the problem.
- 1.9.3. Conduct of this type is improper, and it may be illegal if:
 - 1.9.3.1. Submission to this conduct is either an explicit or implicit term or condition of employment.
 - 1.9.3.2. Submission to or rejection of the conduct is used as a basis for employment decisions affecting the person involved.
 - 1.9.3.3. The conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment
- 1.9.4. All employees are responsible to ensure a workplace free from any type of harassment. If an employee is aware of any instances of work place harassment or believes he/she is a victim of harassment, the employee should:
 - 1.9.4.1. Ask the offending employee to cease the conduct.
 - 1.9.4.2. If an employee is uncomfortable confronting the harasser, or if the conduct does not stop, s/he should report the alleged act immediately to any supervisor.
 - 1.9.4.3. Alternatively, if a supervisor is engaging in such conduct the employee should immediately report the alleged harassment to the Director of Aquatics Operations.
 - 1.9.4.4. If the Director of Aquatics Operations or the District Administrator is engaging in such conduct, the employee should immediately report the alleged harassment to the Board President.

- 1.9.5. All complaints will be promptly and thoroughly investigated by the management or appropriate body. Confidentiality will be maintained throughout the investigatory process to the extent practical and consistent with the need to undertake a full investigation. Any employee who is found to have harassed another employee will be subject to disciplinary action, up to and including termination. The affected individuals will be informed of the outcome of the investigation.
- 1.9.6. No retaliation of any type will result from good faith reporting instances of harassment or cooperating in an investigation. Please see Section 9 Whistleblower Policy for more information.
- 1.9.7. A supervisor's failure to ensure these provisions are enacted may result in disciplinary action up to and including termination of that supervisor.

1.10. Workplace Violence

Workplace violence is any verbal or physical action that is communicated or perceived as a likely threat, harassment, abuse, intimidation, or personal contact, that produces fear, causes bodily harm, or damage to property. Even joking about violent acts is prohibited.

- 1.10.1. The District does not tolerate threats or acts of violence towards District employees, family, friends, co-workers, elected officials, members of the public or TPMPD property. All threats or acts of violence are treated seriously and each will be dealt with promptly and appropriately using administrative, managerial, legal and/or disciplinary actions to minimize risk to employees and property.
- 1.10.2. All employees are responsible for refraining from threatening or participating in violent actions and for reporting to any supervisor or (up to and including the Director of Aquatics Operations or Board President) any threatening or dangerous situations that occur within the work place or affect their work requirement. Employees who feel an immediate threat and cannot reach a manager should call 911 and leave the area as soon as possible.
- 1.10.3. Employees may not bring weapons of any type into the workplace.

1.11. Organizational Ethics

The TPMPD is committed to conducting business with integrity and maintaining the highest ethical standards. This requires all TPMPD officers, supervisors, employees and volunteers to be ethical in their conduct, follow all laws and regulations and have the highest standards of personal integrity in their decision-making, and at all times when representing or appearing to represent the TPMPD.

- 1.11.1. TPMPD officers, supervisors, volunteers and employees shall communicate honestly, transparently and respectfully with individual patrons and the community at large.
- 1.11.2. As an organization, the District will comply with all applicable laws and regulations. We expect all officers, supervisors and employees to conduct business in accordance with the letter, spirit, and intent of all relevant laws and to not do anything or ask someone else to do anything that is illegal, dishonest, or unethical.
- 1.11.3. If someone asks you to take an action that seems illegal, dishonest or unethical in your judgement, you are encouraged to ask for advice and consultation with any supervisor up to and including the Director of Aquatics Operations before taking the suggested action.

- 1.11.4. It is the responsibility of every Tukwila Pool Metropolitan Park District employee to comply with our policy of organizational ethics. Employees who ignore or do not comply with this standard of ethics may be subject to disciplinary action, up to and including possible termination of employment.

1.12. Customer Relations

Good customer service translates into long-term stability for the organization. Every employee represents the Tukwila Pool Metropolitan Park District to our patrons and the community. This not only applies while on the Tukwila Pool premises but also while off the premises in uniform. Community residents, patrons, and the public at large judge the entire District by how they are treated by every employee of the Tukwila Pool and by the quality of our work. One of the highest priorities at Tukwila Pool Metropolitan Park District is to help any patron or potential patron in every way possible. Nothing is more important than being courteous, friendly, prompt, respectful, and helpful to our customers and community. Any infraction of this policy and standard of customer relations may result in disciplinary action up to and or including termination of employment.

Good customer service requires the following action on the part of the TPMPD staff:

- 1.12.1. Every contact with the public, (including by telephone and electronic communications) is conducted with respect, care, patience and professionalism -- with no exceptions.
- 1.12.2. Customer complaints are listened to respectfully and reasonable action is taken immediately to remedy the situation while the customer is still present. If the customer must leave before the complaint is remedied, the staff should try to collect the customer's contact information.
- 1.12.3. If the cause of the complaint cannot be remedied immediately, the staff member receiving the complaint must communicate the complaint to the management, and/or Director of Aquatics Operations, as quickly as possible, including the customer's contact information.
- 1.12.4. The Assistant Managers or Director of Aquatics Operations must make every reasonable effort to address the complaint in a timely manner and communicate the resolution to the customer.
- 1.12.5. If a customer becomes physically or verbally abusive or otherwise presents a danger to the employee, other patrons or themselves, the staff member must still remain calm and respectful. However, staff are not required to put themselves into dangerous situations and must request assistance from management and/or the Tukwila Police Department as appropriate.

2. Employment Conditions

2.1. Employment Status Definitions

When employees are hired they will be informed of their employment status. All employees are defined as At-Will, regardless of their employment status. The Tukwila Pool Metropolitan Park District uses the following standard definitions for their employees:

- 2.1.1 Regular Full-Time Employee - An employee who regularly works a minimum of 37.5 hours a week on a continuing basis.

- 2.1.2 Regular Part-Time Employee - An employee who works fewer than 37.5 hours a week on a continuing basis.
- 2.1.3 Non-exempt Employee - An employee who is subject to the minimum wage, overtime, and timecard provisions of the wage and hour laws. Such employees are eligible for overtime pay at the rate of one and one-half times the regular rate of pay for all hours worked in excess of 40 hours in the work-week.
- 2.1.4 Exempt Employee - An employee whose salary and duties meet the criteria for exclusion under the applicable federal and state wage and hour laws, including but not limited to, directors and administrative employees. An exempt employee is not eligible to receive overtime pay.
- 2.1.5 Temporary/Seasonal Employee - An employee hired with the expectation that he or she is needed for a limited period of time, generally not more than six (6) months. New hires are considered temporary employees until the successful completion of their three-month probationary period and conversion to regular employee status.

2.2. Working Hours & Shift Assignments

The Tukwila Pool is open for business every day of the year except the fourth Thursday of November (Thanksgiving Day) and December 25th. Different work schedules may be established by Tukwila Pool Metropolitan Park District to meet job assignments and to provide necessary services. 2.2.1. The Tukwila Pool's normal business hours are as posted at the facility and on www.tukwilapool.org.

- 2.2.2. The district reserves the right to change the regular workweek, the normal business hours, or the normal workday with prior notice to employees.
- 2.2.3. The Director of Aquatics Operations establishes the normal working hours and schedule for all nonexempt and temporary/seasonal employees. Employees are expected to keep the Director of Aquatics Operations informed of their availability and to show up on time and ready to work for every scheduled shift.
- 2.2.4. If an employee is not available to work an assigned shift, they are expected to find a qualified substitute which must be approved by the Director of Aquatics Operations. If no acceptable substitute is found and the leave is not otherwise protected (see Section 6 for leave information), the employee must work the shift or risk disciplinary action up to and including termination.
- 2.2.5. Assistant Managers are expected to be on duty during the pool's regular business hours and should be scheduled to cover as many of those hours as possible. When a manager is not available, the Director of Aquatics Operations may fulfill the role of manager-on-duty, or may temporarily delegate this responsibility to a qualified employee.
- 2.2.6. Employees who are not scheduled to work and have not been called into work by a supervisor are not authorized to work. Employees are prohibited from clocking-in when they are not authorized to work.
- 2.2.7. Employees are not permitted to volunteer their time, or work without compensation.

2.3. Overtime

Non-exempt employees are entitled to additional compensation, either in cash or compensatory time off, when they work over 40 hours per week.

- 2.3.1. All overtime must be authorized in advance by the Director of Aquatics Operations or designee, unless due to an emergency, in which case approval must be obtained as soon as reasonably possible.
- 2.3.2. Overtime pay is calculated at one and one-half (1.5) times the regular rate of pay for all hours actually worked over forty (40) hours in one week. Time that is paid, but not actually worked, like sick leave, vacation or holidays, does not count as "hours worked" when computing overtime. Nonexempt employees are prohibited from engaging in "off-the-clock" work.
- 2.3.3. A nonexempt employee may request compensatory time off in lieu of overtime payment. Compensatory time off must be requested by the employee and authorized by the Director of Aquatics Operations, or designee. Compensatory time is accrued at the rate of one and one-half (1.5) hours for each hour of overtime work. Compensatory time must be used within thirty (30) days of the time it was earned and authorized. Any accrued compensatory time not used within 30 days or prior to an employee's termination from service will be paid for on the next paycheck.
- 2.3.4. Exempt employees are expected to work whatever hours are necessary to complete their work. They do not receive overtime or compensatory time.
- 2.3.5. For payroll and overtime computation purposes, the regular work week begins on Monday mornings at 12:00:01 a.m. and ends the following Sunday at 12:00:00 p.m. (midnight).

2.4. Schedules & Attendance

Punctual and consistent attendance is an essential function of every employee's job and a condition of continued employment.

- 2.4.1. Employees are required, as a condition of employment, to work their scheduled shift and arrive prepared and on time. Each employee is expected to be at their place of work during their scheduled work days and at their scheduled hours of work. Employees may not alter their scheduled hours of work or take "comp time" without prior manager approval unless due to an unforeseen emergency or illness, in which case approval must be obtained as soon as reasonably possible.
- 2.4.2. While the TPMPD makes every reasonable effort to maintain stability and consistency in scheduling, it is not possible for any staff member to have a set schedule. Therefore, employees are responsible for checking the schedule regularly and knowing when they are scheduled to work. The TPMPD provides a scheduling system that allows each employee to check their schedule online and report their availability to work. Employees are asked to report their availability at least four weeks in advance. Shifts are scheduled at least two weeks in advance based on that reported availability. Employees will be notified personally if there is a need to change a scheduled work time after the schedule has been posted. If an employee is unable to work a scheduled shift, they are responsible for finding a suitable replacement that meets with supervisory approval. If an employee reports that they are available and gets scheduled and then fails to appear for work due to a reason other than

protected leave, they may be subject to disciplinary action, up to and including termination.

- 2.4.3. Employees who are suddenly unable to work due to illness or injury or unable to report to work on time must call the Tukwila Pool main number and notify the shift supervisor as soon as possible, but no later than 30 minutes before the scheduled starting time. They must state the reason for being late or being unable to report for work. If the absence or tardiness is due to an emergency that makes them unable to call, the employee must have someone else call the Tukwila Pool phone line within the same time period as applied to the employee.
- 2.4.4. Recurring absenteeism or tardiness, including failure to comply with any feature of this policy may result in disciplinary action up to and including termination of employment. If an employee fails to report for work or call-in for three (3) days in a row (and is not on a pre-approved leave of absence), the employee will be deemed to have abandoned his or her job and employment will terminate. Unexcused excessive absenteeism may be grounds for disciplinary action, including possible termination.
- 2.4.5. Employees are expected to be at work even during inclement weather. Supervisors may allow employees to be late or leave early during severe weather conditions. Hours not worked will not be compensated (with exceptions for approved paid leave).

2.5. Emergency or Maintenance Closure

The Tukwila Pool will be open and in operation during established facility hours as posted on www.tukwilapool.org. However, there may be times when the management finds it necessary to close the facility due to an emergency or to perform necessary maintenance or repair work.

- 2.5.1. Unless otherwise notified, scheduled employees are still expected to report to work in a timely manner, even during an emergency closure. Should emergency conditions prevent employees from reporting to work, it is the employee's responsibility to contact his/her supervisor to indicate anticipated absence or late arrival to work and the reason for such absence or tardiness.

2.6. Breaks and Meal Periods

Employee are required to take breaks and meal periods in keeping with Washington State Employment Standards:

- 2.6.1. Employees working at least 4 hours in a single workday are required to take one paid 10-minute break no later than 3 hours into their shift.
- 2.6.2. Employees working at least 8 hours in a single workday are permitted two paid 10-minute breaks, the last break should be taken approximately 1 hour prior to the end of their shift.
- 2.6.3. Employees working in excess of five (5) hours in a single workday must take a meal break that shall last no less than 30 minutes. If they are not available to work during that period, they must clock out for the full 30 minutes. If they are available to return to duty (to answer a phone call or address other immediate needs) then they may stay clocked in during the meal break. Meal breaks must be taken no less than two hours and no more than five hours from the beginning of the shift. Meal periods are scheduled in coordination with the shift supervisor and other staff on duty.

- 2.6.4. Any employee who works more than ten (10) hours in a day is required to take a second thirty-minute (30) unpaid meal period around the middle of the second five (5) hour period. If they are not available to work during that period, they must clock out for the full 30 minutes. If the employee is available to return to duty (to answer a phone call or address other immediate needs) then he or she may stay clocked-in during the meal break.
- 2.6.5. To the extent practical, supervisors should schedule breaks or meal periods as near as possible to the midpoint of the shift, as long as the rest period does not interfere with District business or service to the public.
- 2.6.6. Employees are responsible for coordinating their breaks with the shift supervisor and the others on duty. In keeping with state employment standards, employees are not permitted to skip breaks and meal periods. If you have not received a meal or rest period as provided above, please inform the shift supervisor immediately.
- 2.6.7 The TPMPD may require employees to stay on the work site during:
 - 2.6.7.1 Paid rest breaks.
 - 2.6.7.1.1 Any meal period whenever the TPMPD pays the employee during that meal period.
 - 2.6.7.1.2 Any meal period without paying the employee if the employee is completely relieved from duty for the entire meal period **and** will never be called back to work during the meal period.
 - 2.6.7.1.3 THE TPMPD is not required to pay for meal periods if employees are free from any duties for their entire meal period.
 - 2.6.7.1.4 Employees must be paid during their meal period when:
 - 2.6.7.1.4.1 required to remain on duty, and
 - 2.6.7.1.4.2 required to be on-call at the designated worksite to be available to return to duty, even if they are not in fact called back to duty, and
 - 2.6.7.1.4.3 called back to duty during their meal period, even though they normally are not on call during the meal period.

2.7. Call Back

An employee may be called back into work after their shift has ended in emergencies or as needed by the District to provide necessary services to the public.

- 2.7.1 A refusal to respond to a call back may be grounds for disciplinary action, including termination. Employees called back to duty are paid their appropriate rate of pay for hours worked (and overtime rate, if applicable.)
- 2.7.2 Non-exempt employees who leave work and are called back to work after completing their regular day's shift are paid in most circumstances for a minimum of one (1) hour worked. Exempt employees are not eligible for additional pay.

2.8. Time Reporting

Maintaining accurate time records is essential in computing employee pay, ensuring compliance with laws and regulations, and providing accurate cost information for the district. All non-exempt employees are required by the Wage and Hours provision of the Fair Labor Standards Act (FLSA) to keep an accurate record of their time worked. Each employee is responsible for following the procedure for recording their time as required.

- 2.8.2 Employees working lifeguarding shifts or swim instructor shifts must use the appropriate code to record each activity accurately. Purposefully recording activity inaccurately may be cause for disciplinary action up to and including termination.
- 2.8.3 Supervisors are responsible for reviewing and approving the time records for accuracy.
- 2.8.4 Employees must enter their own time record and in doing so are testifying that the information is accurate and truthful.
- 2.8.5 Making entries on behalf of another employee is not permitted. Any deliberate falsification of your own or someone else's time record is grounds for disciplinary action, including possible termination.
- 2.8.6 Tukwila Pool Metropolitan Park District's official payroll records are kept by the Aquatics Manager.

2.9. References

Usually the District does not give references, other than to confirm the dates of employment, last salary and eligibility for re-hire, without the employee's prior written consent and execution of an appropriate release. Any requests for references should be referred to the Director of Aquatics Operations, or the District Administrator.

2.10. Personal Information

Employees are to notify the Director of Aquatics Operations in writing of any personal changes, including but not limited to changes in name, address, telephone numbers, e-mail addresses, number of dependents, emergency contact, marital status or other personal information so the district may keep personnel records up-to-date and so that the district can communicate with employees as needed.

2.11. Employee Personnel Records

A personnel file for each employee is maintained by the District, and access is generally limited to the employee, the Director of Aquatics Operations unless broader disclosure is required by law. Medical records, shall be maintained in a confidential file which is separate from other personnel records. Usually, an employee's personnel file contains the employee's name, title and/or position held, job description, department to which the employee is assigned, salary, changes in employment status, training received, performance evaluations, personnel actions affecting the employee, including discipline, and other pertinent information.

- 2.11.1. An employee may periodically review their personnel file. An employee may place pertinent information in their personnel file with the approval of the Director of Aquatics Operations.

An employee may also request removal of irrelevant or erroneous information in their personnel file. If the management denies the employee's request to remove the information, the employee may file a written rebuttal statement to be placed in their file.

- 2.11.2. Confidential personnel records shall not be released to any unauthorized individual except with the written consent of the employee or in response to valid court orders, subpoenas or governmental requests directing the provision of information from personnel records. Some personnel records may also be subject to disclosure in response to a request under the Public Disclosure Act.
- 2.11.3. When a current employee needs the district to verify employment (such as for a loan approval), the employee should advise the Manager(s), Director of Aquatics Operations, or designee, of the need at the earliest opportunity so they can verify the authorization to release employment information.

3. Employment Practices

3.1. New Employee Orientation and Probationary Employment Period

Typically, this orientation includes information about the District's organization and services, safety rules, operational and personnel policies, rules and procedures, completion of payroll forms and introduction to other District personnel.

- 3.1.1 All newly hired Tukwila Pool Metropolitan Park District staff are considered temporary employees pending the successful completion of a three-month conditional employment period to ensure their suitability to the position.
 - 3.1.1.1 During this time, the new employee will:
 - 3.1.1.1.1 complete a background check if one has not already been completed, and

3.2. Staff Supervision

Tukwila Pool Metropolitan Park District holds itself to a high standard of performance and therefore makes every effort to provide high quality support and supervision to its employees. Clear communication, respect for all and appropriate staff development are key to these efforts and every employee with a supervisory role is expected to personify those high expectations. Our chain of command runs from the Director of Aquatics Operations, to the Assistant Aquatics Manager(s) to the Head Lifeguard, to Lifeguards, Front Desk Attendants and Instructors.

- 3.2.1. All supervisors or candidates for supervisory roles should have supervisory skills training

and/or demonstrate the knowledge and ability to utilize best practices in personnel supervision prior to being hired for or promoted to a supervisory role.

- 3.2.2. With the exception of the District Administrator, all employees shall consider the Director of Aquatics Operations to be their direct supervisor. When the Director of Aquatics Operations is not available, the Assistant Aquatics Manager on duty is the shift supervisor. Employees are expected to respond to them as they would the Director of Aquatics Operations.
- 3.2.3. Employees can expect the entire management staff to provide steady support, on-going communication, professional development and general guidance. Supervisors are accountable for the performance of each employee they work with and are encouraged to give each employee their best effort, asking for help whenever necessary.

3.3. Promotions, Demotions and Transfers

All employees are eligible for promotion, transfer to another equivalent position, and voluntary or involuntary demotion. To be considered for another position, an employee must possess the minimum qualifications for the vacant position or equivalent experience and skill as determined by the management.

- 3.3.1. Tukwila Pool Metropolitan Park District encourages current employees to work toward increasing their capabilities through education, skill building and achievement of job-related certifications. Employees are also encouraged to apply for vacant positions for which they are qualified. Promotions are based on past performance, the supervisor's recommendation, qualifications, evaluations, job descriptions and related information and are given solely at the discretion of Tukwila Pool Metropolitan Park District. The amount of any pay increase and/or specific responsibilities are also to be decided solely by Tukwila Pool Metropolitan Park District.
- 3.3.2. A promoted employee may be demoted or terminated from the new position if Tukwila Pool Metropolitan Park District, in its sole discretion, determines that the employee is not satisfactorily performing in the new position.
- 3.3.3. Tukwila Pool Metropolitan Park District, in its sole discretion, may fill a vacant position by transferring a qualified employee to the position. An employee may request a transfer to a vacant position by notifying the Aquatics Manager in writing.

3.4. Change in Workforce

Nothing contained in these personnel policies, the pay plan or the district's past practices or customs shall prevent the district from reducing its workforce, laying off, promoting, demoting, reclassifying or removing employees, modifying the pay plan or otherwise managing and directing the operation of the district and its workforce as deemed necessary and proper.

In determining who is to be laid off, consideration will be given to a number of relevant factors, including individual performance and who is best able to perform the remaining jobs. Prior to such action, the TPMPD may endeavor to place affected employees into another available position for which they are qualified, as determined by the District.

- 3.4.1. Prior to a layoff, the Tukwila Pool Metropolitan Park District will try to provide affected employees at least two weeks' notice of the pending layoff.
- 3.4.2. During the 12-month period following a layoff, TPMPD may rehire a laid off employee if a suitable position becomes available for which the employee is qualified, and the former employee has requested, in writing, to be considered for re-hire.

3.5. Resignation & Termination

Employment with the Tukwila Pool Metropolitan Park District is at-will in accordance with the laws of Washington State. However, employees are encouraged to submit written notice of resignation to their supervisor prior to the effective date of their resignation. The management may schedule an exit interview, if appropriate. When an employee resigns, the employee is expected to return all Tukwila Pool Metropolitan Park District or co-worker's property, including uniforms and keys. Failure to do so may delay release of the employee's final paycheck.

3.5.1. Non-exempt employees are requested to submit notice of resignation at least two weeks (14 days) prior to the effective date of their resignation. All wages and expense reimbursement owed to the employee shall be provided on the scheduled payday for the period (more information on Paydays can be found in Section 4.2).

3.5.2. Either the TPMPD and/or an exempt employee are free to terminate employment at any time with 30 days advance notice to the other for any reason with or without cause.

The District, without altering the at-will relationship, shall have the right to immediately terminate an employee's services for cause including but not limited to those defined in Section 11 – Rules of Conduct. If terminated for cause, all compensation and benefits described in this handbook shall cease as of the termination date.

3.6. Employment of Relatives

The district believes it is in the best interests to keep business and professional relationships separate from personal and family relationships. To prevent the appearance of or actual conflicts of interest, the district generally will not employ an employee's relatives. For this policy, "relative" is defined as any family relationship resulting from birth, marriage, meretricious relationship, or adoption, as well as any person cohabiting with another employee.

3.6.1. Under certain circumstances it may be necessary to employ relatives and then the following guidelines shall be observed:

3.6.1.1. Neither employee will supervise, appoint, remove or discipline the other;

3.6.1.2. Neither relative will evaluate or audit the work of the other;

3.6.1.3. The working relationship will not create a conflict of interest or the appearance of favoritism.

3.6.2. If one employee becomes related to another employee through marriage and this results in a prohibited employment relationship, one of the employees must resign or accept a non-prohibited employment-relationship position.

3.7. Employee Background Checks

The Tukwila Pool Metropolitan Park District requires background checks in compliance with RCW 35.61.130 for all employees, volunteers, or independent contractors, who may, in the course of their work or volunteer activity with the District, have unsupervised access to children or vulnerable adults, or be responsible for collecting or disbursing cash or processing credit/debit card transactions.

3.7.1. Currently, all TPMPD staff positions meet the threshold of the background check policy.

Therefore, all TPMPD employees must submit to a background check as a condition of their employment. New positions will also be required to comply with the policy if the position meets the threshold of the policy.

- 3.7.2. When necessary, as determined by the District, prospective employees, volunteers, or independent contractors may be employed on a probationary basis pending completion of the background check investigation.
- 3.7.3. If the prospective employee, volunteer, or independent contractor has had a background check within the previous twelve months, the District may waive the requirement upon receiving a copy of the record.
- 3.7.4. The District may in its discretion require that the prospective employee, volunteer, or independent contractor pay the costs associated with the record check.
- 3.7.5. The District may provide a copy of the record report to the employee, volunteer, or independent contractor, upon request by the employee, volunteer, or independent contractor to whom the record corresponds.

4. Compensation

The Tukwila Pool Metropolitan Park District wishes to practice transparency and fairness in regard to employee pay rates; offering equal pay for equal work and comparable job experience. Therefore, each position or job title within the District is assigned a defined salary range or pay-rate that is applied to all employees holding that position or job title with comparable experience. Pay rates for each position are outlined in the District's salary and wage schedule, which has been established by the District Board of Commissioners. The District Board of Commissioners may revise the salary and wage schedule from time to time.

4.1. Employee Pay Rates

Each position's pay-rate is reviewed periodically in an attempt to remain competitive with other comparable positions. Please refer to Appendix A for the current pay schedule.

- 4.1.1 Pay-rates are based on the expectations of the position, reflect levels of authority and responsibility, years of service or experience, certifications, and other skills as needed to perform the expectations of the position with a great deal of competency. Within available resources, Tukwila Pool Metropolitan Park District's compensation plan is generally competitive with other comparable employers in similar job markets.
- 4.1.2 From time to time, Tukwila Pool Metropolitan Park District may provide pay adjustments, raising the wages of all positions by a specified amount or for all employees within a single defined position.
- 4.1.3 The current pay schedule (Appendix A) allows for an annual pay increase depending on an employee completing a satisfactory year of service. Increases are contingent on satisfactory performance. If an employee's performance is unsatisfactory, a pay increase may be deferred for a stipulated period of time or until the employee's job performance is satisfactory using the evaluation system noted in Section 5.1.4.

4.2. Paydays

Employees are paid twice a month by direct deposit or by check distributed at the work location on the 5th and the 20th day of the month.

- 4.2.1. If a regularly scheduled payday falls on Saturday, paychecks may be available on Friday; if it falls on Sunday or a holiday, paychecks are usually distributed on the next regularly scheduled week day.
- 4.2.2. One pay period covers the 1st through the 15th (usually distributed on the 20th) and the other covers the 16th through the end of the month (usually distributed on the 5th). This distribution schedule is subject to change and staff will be notified of any changes.

In the event of an overpayment, the employee will be notified as soon as possible, and the employee will be required to reimburse the District either through a future payroll deduction or a direct payment.

4.5. Expense Reimbursement

Tukwila Pool Metropolitan Park District employees and officials will be reimbursed for approved normal and reasonable travel and other expenses incurred for business-related purposes. Normal and reasonable travel costs are defined as expenses for transportation to and from a location other than the employee's primary work-place, lodging, meals and related items who are traveling for District purposes only. - 4.5.2. No claim for reimbursement shall be paid unless it is accompanied by an original, bona fide vendor's receipt. Should a receipt be lost or not be obtainable, an employee certification signed by the Director of Aquatics Operations or the District Administrator or designee will serve as a substitute for a receipt. Such receipt or certification should show the date, a description of the purchase, vendor identification, amount paid, and an explanation for the lack of a receipt should that be the case. Falsification of a receipt or certification is grounds for disciplinary action up to and including termination.

Employee certification in lieu of original receipt will not be accepted for meals.

- 4.5.3.5. Automobile rental expenses will be reimbursed to the extent they are reasonable and appropriate. Additional automobile insurance must be purchased when renting an automobile for foreign travel.
- 4.5.3.6. Alcoholic beverages are not a reimbursable travel expense.
- 4.5.3.7. Reasonable, incidental charges such as gratuities are reimbursable and need not be supported by a receipt. However, such charges should be tracked and submitted as certification of the expenditure. Falsification of this certification is grounds for disciplinary action up to and including termination.
- 4.5.3.8. Lodging may be reimbursed when necessary for travel outside of the District. Employees are encouraged to seek out reasonably priced accommodations to minimize the cost to the District. Costs associated with upgrades in accommodations will not be reimbursed unless standard accommodations are not available. 5. Performance & Professional Development

Employees are the Tukwila Pool Metropolitan Park District's most valuable resource in accomplishing the mission and goals of the organization. Therefore, it is incumbent upon the district to nurture staff talent and provide support for growth and opportunity. Toward that end, the TPMPD managers are expected to provide guidance for employees that helps each employee to enhance or refine their existing skills and develop new ones. In addition to this day-to-day feedback, managers are expected to regularly assess performance and provide opportunities for formalized educational development.

5.1 Performance Feedback & Evaluation

To achieve Tukwila Pool Metropolitan Park District's goal of supporting and retaining the best employee for every job, supervisors are expected to provide every employee with ongoing feedback and constant communication relating to performance as well as a process that requires regular reflection on an employee's overall contributions. This method is designed to ensure that each employee is receiving the best possible supervisory support and is in the position that best fits their skills.

- 5.1.1 Supervisors are expected to immediately inform an employee of any challenge that may be impacting their performance and to clearly communicate the necessary improvement expected. The outcome of that communication should be noted by the supervisor in writing and may influence an evaluation.
- 5.1.2 Employees are expected to inform a supervisor as soon as possible of any challenges they face in the performance of their duties and work cooperatively with them to find solutions.
- 5.1.3 Supervisors are available and encouraged to provide feedback to staff and/or discuss performance at any time. The supervisor is expected keep written notes covering the general topics of any performance-related discussion and agreed upon outcomes, if any. These notes may be sent to the employee and the Director of Aquatics Operations.
- 5.1.4 Supervisors shall complete performance evaluations for each employee they supervise at six month intervals, and up to every three months upon employee's written request to the employee's supervisor. This evaluation is part of an employee's personnel record and will

influence whether the employee is to be promoted, transferred, demoted, laid off, or terminated. These evaluations are not meant to be a method of communicating a performance issue. Supervisors are asked to answer these three questions about each staff member they supervise:

- 5.1.4.1 Given what I know of this person's performance, and if it were my money, I would award this person the highest possible increase in compensation and bonus. Please answer on a five-point scale: 5 = Strongly Agree, 4 = Somewhat Agree, 3 = Neither Agree nor Disagree, 2 = Somewhat Disagree, 1 = Strongly Disagree
- 5.1.4.2 Given what I know of this person's performance, I would always want him or her on my team. Please answer on a five-point scale: 5 = Strongly Agree, 4 = Somewhat Agree, 3 = Neither Agree nor Disagree, 2 = Somewhat Disagree, 1 = Strongly Disagree
- 5.1.4.3 This person is at risk for low performance. Please answer Yes or No and note a brief explanation.

The answers to these questions are incorporated into the employee's file for reference in future decision-making (i.e. promotion, transfer, demotion or termination).

- 5.2.3.3 TPMPD's services may be improved as a direct result of the educational opportunity.
- 5.2.4 The employee should submit a request in writing to their supervisor who forwards it, with comments, to the Director of Aquatics Operations for approval.
- 5.2.5 Employees taking courses that are graded must earn at least a "C" grade, or equivalent, to receive reimbursement.
- 5.2.6 The District may, as resources permit, cover the cost of required books or other pre-approved expenses necessary for receiving the full benefit of the educational opportunity.

5.3 Professional/Technical Societies and Certifications

District employees are encouraged to participate in technical and professional societies and/or achieve certifications indicating a high level of competence in their field(s). These activities are considered a benefit to the District and to the employee through additional knowledge or personal associations gained.

The District, through the budgeting process, will select what fees and dues it might pay for its employees' membership in technical and professional societies. For any organization for which the District pays the dues, the District address should be used on all mail. All magazines and publications received as a part of that membership should be made available for all employees to use.

- 5.3.2 Professional and Technical Registration/Certification. The District encourages professional and technical registration or certification. The District may pay fees for professional and technical certificates and licenses for its employees as determined by the District in its sole discretion. These requests should be sent to the Director of Aquatics Operations, or the District Administrator.

6. Benefits and Leave

Employees of the TPMPD are provided with the following benefits and leave in appreciation of their service to the community and the district. These benefits are voluntarily provided by the district as an employee incentive and may be amended or discontinued at any time.

6.1 Staff use of the Facility

All employees are eligible for a Tukwila Pool employee swim pass, which entitles them to the same privileges as a family pass holder for the duration of their employment with the TPMPD.

- 6.1.1 If employment ends or the employee has not worked at least one (1) shift in a calendar month, the pass is void and must be surrendered.
- 6.1.2 Any inappropriate or unprofessional conduct while off-duty at Tukwila Pool is grounds for suspension of the employee pass privilege and may result in further disciplinary action up to and including termination.
- 6.1.3 These privileges are extended to 1 additional adult and children who share a household with the employee. As above, these passes may be suspended if the employee no longer meets the criteria or due to misconduct.

6.2 Employee Discount on Food & Drinks

- 6.3.3 The benefit allowance is currently calculated at 15% of the employee's salary or pay-rate. This rate is subject to adjustment at any time.
- 6.3.4 The benefit allowance is distributed in lieu of traditional employee benefits. Although the benefit allowance is not defined as wages or salary for the employee, it is taxed as income by the IRS.
- 6.3.5 Each employee provided with a Benefit Allowance is expected, but not required, to

maintain medical coverage.

6.4. Paid Time Off (Benefits-Eligible employees only)

Benefits-Eligible employees as defined in Section 6.3.1. are also provided with paid time off for holidays, illness or injury and vacation, the amount of which is set forth in Section 6.5, 6.6 and 6.7.

- 6.4.2. Benefits-Eligible employee's requests for time off must be sent to the supervisor via e-mail and include the exact date(s) of absence. Supervisors must provide an e-mail response as soon as possible verifying whether or not the request has been approved. Requests that have a negative impact on the TPMPD or other employees will not be approved. (See Section 6.6 Sick Leave for additional information on requesting time off due to illness or injury.)
- 6.4.3. When paid time off is used the supervisor is responsible for forwarding the e-mail verifying the approved leave to the person responsible for reporting payroll by or before the end of the pay period.
- 6.4.4. If an employee requests time off and the time off is not approved, the employee is expected to work as usual. Failure to appear for a scheduled shift in the absence of an approved leave is grounds for disciplinary action, up to and including termination.
- 6.4.5. The TPMPD is not responsible for lost deposits or non-refundable fees paid out by employees prior to receiving approval for time off.
- 6.4.6. For the purposes of accrual and usage, one day of accrued time off ~~is defined as~~ shall be a maximum of eight (8) hours.
- 6.4.7. Paid time off may be transferred to another eligible employee for humanitarian reasons only with approval from the Director of Aquatics Operations or the District Administrator.
- 6.4.8. For the purposes of calculating accrual for non-exempt employees, paid time off does not qualify as hours worked.
- 6.4.9. Benefits-Eligible employees may be approved for limited unpaid time off for extraordinary circumstances at a supervisor's discretion and it is expected that employees will not abuse this privilege. Additional leave may be granted as a reasonable accommodation under state or federal law.

6.5. Holidays & Floating Holidays (Benefits-Eligible employees only)

Additionally, the pool will have reduced hours of 7:00 a.m. - 1:00 p.m. on Dec. 24th, December 31st, Jan. 1st, Memorial Day, July 4th, and Labor Day. To compensate for the lack of traditional paid holidays throughout the rest of the year, Benefits-Eligible employees as defined in Section 6.3 are provided with up to five (5) "Floating Holidays" at the beginning of the calendar employment year to be used throughout the year at any time with approval from their supervisor. See Section 6.4. for more information on requesting and using paid time off.

- 6.5.1. Exempt employees are not expected to work on days when the pool is closed for holidays, but will be compensated in the usual manner. If, due to an emergency, they are required to report to work, exempt employees will not receive additional compensation.
- 6.5.2. Non-exempt Benefits-Eligible employees will not be scheduled to work when the pool is closed for holidays, but have the option of using floating holidays or vacation leave (see Section 6.7) as compensation. If, due to an emergency, they are required to report to work, non-exempt employees will be compensated at double their usual hourly rate for the time worked.
- 6.5.3. Floating holidays can only be used with supervisory approval (as outlined in Section 6.3) during the employment year in which they are given and will not carry over the following year.

See Table, Section 6.5.7. Paid time off does not count as time worked.
- 6.5.6. New employees will not be allotted floating holidays during the three-month probationary employment period nor will they be approved to use floating holidays during this period. Once a probationary employee is converted from probationary to regular employment status at the conclusion of the probationary employment period, the TPMPD may grant floating holiday leave in an amount equivalent to approximately three months of accrual, calculated based on the number of hours worked during that period of satisfactory employment.

- 6.6.7. Employees reporting an absence due to illness or injury must phone the shift supervisor in keeping with the Section 2.4. Attendance. Employees are then responsible for sending their supervisor a follow-up e-mail that includes the exact dates of absence that may be charged toward their accrued sick leave.
- 6.6.8. When an employee uses sick leave for three or more days in a row, a doctor's certification may be requested by the Director of Aquatics Operations, or the District Administrator.
- 6.6.9. Sick leave may not be combined with vacation leave to extend that vacation leave. - 6.7.1. Both the accrual rate and annual maximum that an employee may accrue each year automatically adjust with each anniversary in the eligible position. Years of service in a non-eligible position do not count toward years of service for vacation accrual.
- 6.7.2. Unused vacation leave may be carried over from one year to the next up to the annual maximum. Once the maximum is reached, the accrual freezes until the employee’s anniversary date when accrual may begin again up to the annual maximum.
- 6.7.3. For non-exempt employees, accrual rate is tied to number of hours actually worked. Paid time off does not count as time worked.
- 6.7.4. For the purposes of accrual calculations, previous years of service are lost if an employee voluntarily leaves the Tukwila Pool Metropolitan Park District and returns.
- 6.7.5. New employees do not accrue vacation leave during the three-month probationary employment period nor will they be approved to use vacation leave during this period.

The district reserves the right to require verification or documentation confirming a family member's health condition when available leave is used to care for that family member.

6.9. Family and Medical Leave

The District will comply with applicable state and federal laws on Family Medical Leaves whenever it has the required number of employees (50) in its employ for application of the laws and the factual circumstances warrant its application.

6.10. Administrative Leave

On a case-by-case basis, the District may place an employee on administrative leave with or without pay for an indefinite period of time, as determined by the Director of Aquatics Operations, or designee, to be in the best interests of the District, such as pending an investigation or other administrative proceeding.

6.11. Military Leave of Absence

Any employee who is a member of the Washington Army National Guard or Washington Air National Guard, the U.S. Army Reserves, the U.S. Naval Reserves, the U.S. Air Force Reserves, the U.S. Marine Corps Reserves or the U.S. Coast Guard Reserves, or is ordered to serve in an activated Federal military unit, is entitled to leave from their duties for up to twenty-one (21) days for each fiscal year (October 1 to September 30) for official military duty, training, or drills or state active status. During the period of military leave, the employee shall continue to receive their normal rate of pay for days when they would have been scheduled to work for the district. (Calculated for hourly staff as up to 21 average shifts for the employee during the season in question.)

- 6.11.1. Any employee who is a member of the Washington National Guard or a Federal military unit who is called up to report for active duty shall be granted leave without pay for the period of active-duty service.
- 6.11.2. If an employee takes temporary or regular military leave, he or she is entitled to return to the employee's former job as provided under federal and state laws. A copy of the official orders must be submitted to the employee's supervisor at least one week, but not less than within 72 hours if the orders are for emergency deployment during time of war, prior to the commencement of the duty period.
- 6.11.3. The Washington State Military Family Leave Act provides that during a period of military conflict, an employee who regularly works more than twenty (20) hours per week and whose spouse or state-registered domestic partner is deployed or about to be deployed or is on leave from deployment in a military conflict declared by Congress or the President is entitled to up to fifteen (15) days of unpaid leave per deployment. An employee wishing to take this leave must notify his/her supervisor within five (5) business days of receiving official notice that the spouse is being deployed or will be on leave from deployment. Upon conclusion of the leave, the employee will return to his/her position or an equivalent one unless the employee would otherwise have been terminated had he/she not taken the leave.
- 6.11.4. Employees seeking payment for time while performing military duty must provide the Director of Aquatics Operations a copy of their military orders, showing the employee's dates of duty performance, place of duty performance, military unit, rank or pay grade at time of service performance, the name of the NCO or Commissioned Officer who gave the orders, and with that person's signature attesting to the authenticity of the orders. No payment will be made by the District in the absence of bona-fide military orders. Employees making a claim for pay have 180 days from the time of service performance to submit military orders in a timely manner, and must retain a copy of the orders for future reference.

6.12. Domestic Violence Leave

Leave is available to employees who are victims of domestic violence, sexual assault, or stalking, or have a family member (spouse, children, parents, parents-in-law, grandparents, or "a person with whom the employee has a dating relationship.") who is a victim of such abuse.

- 6.12.1. An eligible employee may take "reasonable" leave, including leave on an intermittent or reduced- schedule basis, to engage in specified remedial activities relating to the abuse, including: participating in legal proceedings; seeking medical treatment or mental health counseling; obtaining social services; or taking other actions to increase the safety of the employee and her/his family members.
- 6.12.2. The District may request verification that the employee or her/his family member is a victim of abuse, and that the leave is for one of the covered remedial activities. Verification is satisfied by one or more of the following: (1) a police report indicating the employee or family member was a victim of abuse; (2) a court order protecting the employee or family member; (3) documentation from an attorney, clergy member, medical provider, or other professional from whom assistance was sought; or (4) the employee's own written statement that s/he or a family member is a victim and needs the leave to seek assistance. The District will maintain the employee's provided information as confidential and will not require the employee to disclose information beyond the verification material listed above.

- 6.12.3. The employee may elect to use paid time off (if eligible), or may take unpaid leave.
- 6.12.4. Upon return from domestic violence leave, an employee shall be entitled to return to the employee's former position or a position with equivalent pay, benefits, and conditions of employment; unless unusual circumstances have arisen (i.e. the employee's position was eliminated for reasons unrelated to the leave). If the employee chooses not to return to work for any reason, the employee should notify the district as soon as possible. Failure to return as agreed from an approved leave may be treated as a voluntary resignation of employment.

6.13. Bereavement Leave

Up to three (3) days leave may be granted for the death of an employee's immediate family or household member. "Immediate family" includes the employee's spouse or registered partner, child, parent, sibling, parent-in-law, son or daughter-in-law. Additional leave may be approved beyond the allotted three (3) days, but may not exceed a total of nine (9) days. Exempt employees are permitted 3 days of leave with pay. Additional days (up to six) will be charged, as determined by the Director of Aquatics Operations, or designee, to the employee's accrued, but unused paid time off (if eligible), or if paid time off is not available, will be unpaid.

6.14. Jury Duty

- 6.14.1. If an exempt employee is called for jury duty or is subpoenaed as a witness, the employee receives his/her regular rate of pay while serving on jury duty, up to a maximum compensation of ten business days.
- 6.14.2. Non-exempt employees will be allowed leave to fulfill jury duty or a subpoena, but will not be paid for the time missed unless they are eligible for paid time off and request vacation or floating holiday leave. An employee released from jury duty for part of a day should call his/her supervisor for instructions. An employee receiving a jury summons must inform his/her department as soon as possible so that arrangements may be made to cover for the employee.
- 6.14.3. Exempt Employees must submit to the District any and all payments received from the court wherein jury duty is performed to receive normal salary reimbursement payment, or the check-stub or check-stubs from payments received from the court must be submitted for off-set balance-of-salary payment to be made by the District. In the event that absence from work may create a bona-fide, significant, and undue hardship for the District, the Director of Aquatics Operations, or the District Administrator, or the President of the Board of Commissioners, may, upon request by the employee, write a letter to the court where the jury duty has been ordered, to ask the court to dismiss the employee from jury duty to prevent that undue hardship from significantly and negatively impacting the operations of the Tukwila Pool.

6.15 Workers Compensation

Regular employees who are injured on the job, are unable to work, and file for Worker's Compensation may use accumulated paid time off (if eligible) while the claim is being processed. Upon receiving payment from the Worker's Compensation carrier, the employee may sign the check over to the District, and any paid time off used by the employee will be reinstated to the employee's account on a pro-rated basis. Eligible Employees may use paid time off to supplement their time loss payments up to the equivalent of their usual hours or salary.

7. Drugs and Alcohol

The Tukwila Pool Metropolitan Park District has a significant interest in the health and safety of its employees and pool patrons. In furtherance of that interest, the District will take those steps necessary to ensure that its employees perform their duties and responsibilities free of the influence of drugs and alcohol.

7.1. Prohibited Conduct.

The following conduct regarding alcohol and drug use is prohibited. An employee who engages in any of this prohibited conduct will be subject to disciplinary action up to and including termination:

- 7.1.1. Alcohol Possession and On-Duty Use of Alcohol: An employee may not possess or consume alcohol while on duty, including consuming or using alcohol prior to reporting to work or during breaks or meal periods. An employee may not report for or remain on duty while under the influence of alcohol in any way.
- 7.1.2. Pre-Duty Use of Alcohol: An on-call employee who consumes alcohol within four (4) hours of being called in must acknowledge the use of alcohol and may not report for duty.
- 7.1.3. Use of Drugs: An employee may not report for duty or remain on duty when the employee has used an illegal drug or substance. Employees should note that marijuana is illegal under federal law. An employee may also not report for duty or remain on duty when the employee has used prescription or over-the-counter drugs if the substance may cause drowsiness, impair judgement, reduce reaction time or otherwise adversely affect the employee's ability to safely perform their job. Employees who are taking a prescription or over-the-counter medication that may impair their ability to perform their job must report this to the shift supervisor and will not be scheduled to work until such time as they are no longer required to take the medication. The employee is responsible for providing the District with written notice from their physician or pharmacist with respect to the effects of all medication used while on duty.
- 7.1.4. Possession, Transfer or Sale: No employee may possess, transfer or sell drugs or alcohol on the Tukwila Pool premises or while on duty.
- 7.1.5. If an employee's behavior or odor while on duty causes a supervisor to reasonably suspect the use of prohibited substances the employee will be immediately removed from duty and may not return to work for a minimum of twenty-four (24) hours. Employees removed in this situation shall be required to consent to a drug test at a site selected by the Director of Aquatics Operations, or the District Administrator, and must undergo the testing within one hour of being informed by the Director of Aquatics Operations that they must be tested. The test will be paid for by the District and must be administered at a Certified Drug Testing facility chosen by the TPMPD management. Test failure, or refusal consent to a required drug test, will result in further disciplinary action up to and including termination of employment with the TPMPD. Employees under the age of 18 must have parental consent prior to submitting to a drug test.

7.2. Voluntary Referral

The TPMPD supports employees who volunteer for treatment of alcohol or drug abuse. Employees are encouraged to seek treatment voluntarily. Any employee who comes forth and notifies the District of alcohol or drug abuse problems prior to violating district policy or

engaging in misconduct will be given the assistance extended to employees with any other illness. In addition, voluntarily seeking assistance does not excuse any failure to comply with all of the provisions of this policy or other requirements of the District.

- 7.2.1. Paid time off for eligible employees, or leave of absence without pay may be granted for treatment and rehabilitation as with other illnesses. Confidentiality of information will be maintained to the extent permitted by law.

8. Employees Responsibilities and Conduct

Tukwila Pool Metropolitan Park District employees are expected at all times to represent Tukwila Pool Metropolitan Park District to the public in a professional manner, which is pleasant, respectful, **ethical**, **compassionate** and helpful.

8.1. Standards of Professional Conduct

Since the proper working relationship between employees and the District depends on each employee's on-going job performance, professional conduct and behavior, the District has established the following minimum standards of conduct:

- (a) Tact and courtesy towards the public and fellow employees;
- (b) Adherence to District practices, procedures, safety rules and safe work practices;
- (c) Compliance with directions from supervisors;
- (d) Preserving and protecting the District's equipment, grounds, facilities and resources; and
- (e) Providing orderly and cost-efficient services to its citizens.

- 8.1.1. In addition to the general standards of conduct described above, there are some specific expectations that the TPMPD has of all staff, including:

- 8.1.1.1. When a Lifeguard is on a "down" time (not on guard duty), they are not on a break. They are expected to be working. Shift supervisors are available to provide suggestions for tasks if needed.
- 8.1.1.2. Staff must refrain from eating or using cell phones for personal reasons in any area where a patron could see them. Staff are welcome to do these things in the staff rooms while on a break.
- 8.1.1.3. Staff must refrain from distracting others who are guarding.
- 8.1.1.4. Staff must refrain from standing or sitting behind the front desk unless they are engaging in a work-related task that requires them to be there.
- 8.1.2. Staff who take on swimming instruction shifts have an even greater set of expectations that, if followed closely, will make them valuable members of the team and well-loved by their students.
 - 8.1.2.1. Class times are very short. Do not use class time to prepare or set up. Have reports cards ready and set out lane lines before class starts. If there are no report cards available, please ask the shift supervisor for help.
 - 8.1.2.2. Always introduce yourself to parents at the first lesson: "Hi, my name is...and I'll be your child's instructor. Thank you for joining my class". Say hello again to parents before each class and take a moment to talk to them at the end of each class as well, providing a

suggestion for skills they might want to work on between classes if possible. To save time, do this with the group all together rather than one-to-one.

8.1.2.3. Recognize that parents are watching closely. If a parent sees an instructor is being sloppy or like they don't care, they will talk about it.

8.1.2.4. Taking swim instruction shifts means making a commitment to the students. The TPMPD expects every swimming instructor to take that commitment seriously and show up for every class in a series unless they are too ill to do so.

8.2. Personal Appearance, Grooming & Uniform Policies

Employees must maintain a clean and neat appearance appropriate to their work assignment, as determined by their position and supervisor. The Director of Aquatics Operations, or designee, may issue rules regarding what is considered necessary, required or appropriate attire for each department or for particular positions.

8.2.1. Uniforms are required for all Lifeguards/Swim Instructors and Front Desk Attendants. Managers are required to dress either in uniform or business casual attire with a name tag.

8.2.1.1. The TPMPD uniform consists of a name tag and a Tukwila Pool t-shirt. Staff who are providing swimming instruction must change from their Tukwila Pool t-shirt into a Tukwila Pool swim shirt (also known as a rash guard) when providing swim instruction. They may keep the swim shirt on when guarding between classes. Lifeguards/Swim Instructors and Front Desk Attendants must be in uniform at all times when on duty.

8.2.1.2. The TPMPD will order and provide the uniforms for those whose positions require them.

8.2.1.3. Clothing items provided by the employee must conform to the following guidelines:

8.2.1.3.1. Manager's shirts must have a collar and/or be considered "business casual."

8.14. Dispute Resolution

The District recognizes that sometimes situations arise in which an employee feels that he/she has not been treated fairly or in accordance with District rules and procedures. For this reason, the District provides its employees with procedures for resolving disputes.

8.14.1. Step 1: An employee should first try to resolve any problem or complaint with his/her direct supervisor. The supervisor should respond to the employee, in writing, within five to seven working days after meeting with him/her, if possible.

8.14.2. Step 2: If the employee is not satisfied with the response from his/her Supervisor, the employee may submit the problem, in writing, to the Director of Aquatics Operations, or designee within ten working days after receiving their direct supervisor's response. The written complaint must contain, at a minimum:

8.14.2.1. A description of the problem;

8.14.2.2. A specific practice, guideline, or procedure, which the employee believes, has been misapplied;

8.14.3. The Assistant Aquatics Manager or the Director of Aquatics Operations, or the District Administrator, may meet with the parties, either individually or together, and will respond in writing to the aggrieved employee within ten working days of any such meeting, if possible. Such determination is generally the final decision regarding the employee's specific complaint. In the instance where the Director of Aquatics Operations, or the District Administrator, is the subject of the complaint, the TPMPD Board President, or designee, will perform the actions normally done by the Director of Aquatics Operations, or the District Administrator.

8.15. Open Door Policy, Suggestions and Complaints

All employees are encouraged to make suggestions which will improve the safety or efficiency of District operations or employee job satisfaction. Suggestions may be written or verbally given to the employee's supervisor at any time. The supervisor will

- 8.15.2. The District Administrator's and Director of Aquatics Operations' doors are always open to employees who can e-mail, call, or stop by, to speak anytime about an issue that has meaning to them as a TPMPD staff member.
- 8.15.3. It is neither appropriate nor productive for employees to complain or bring issues to other employees who are not in a position to directly assist with or address the situation at hand.
- 8.15.4. Employees are encouraged to interact with members of the Board of Commissioners and volunteers in an open and collegial manner. However, it is appropriate for employees to bypass their supervisors to bring operational suggestions or complaints to members of the Board of Commissioners only if they have already used their chain of command in an attempt to resolve their issues. This prohibition does not include reporting policy or ethics violations committed by the Director of Aquatics Operations, or the District Administrator, as outlined in the Whistleblower Policy.

The only persons authorized to receive tort claims, legal summons, and lawsuit filings for the Tukwila Pool Metropolitan Park District is the District's **Claims Agent** (currently the District's retained attorney) and the **Claims Agent**, upon receipt of a tort claim, summons, subpoena duces tecum, or lawsuit is responsible for promptly notifying the Director of Aquatics Operations, or the District Administrator, or the Board President, or the District's retained attorney, and the District's liability-insurance carrier. Any unauthorized person should advise the process server of the appropriate method of serving the TPMPD.

A list of governmental agencies to whom the employee may wish to report can be found in Appendix B to this handbook.

- 9.3.6. District employees who fail to make a good-faith attempt to follow the District's procedures in reporting improper governmental action might not receive the protections against retaliatory actions provided by the District in these procedures.

District officials and employees are prohibited from taking retaliatory action against a District employee because he or she has in good faith reported an improper governmental action in accordance with these policies and procedures.

- 9.4.1. Retaliatory action means any adverse change in the terms and conditions of a District's employee's employment.

Director of Aquatics Operations, or the District Administrator, or designee will endeavor to take appropriate action to investigate and address complaints of retaliation.
- 9.4.3. If the Director of Aquatics Operations, or the District Administrator, or designee does not satisfactorily resolve a District employee's complaint that he or she has been retaliated against in violation of this policy, the employee may obtain protection under this policy and pursuant to state law by providing a written notice within 30 days after the occurrence of the alleged retaliatory action to the District Board of Commissioners that:

An employee seeking a hearing shall deliver the request for hearing to the Director of Aquatics Operations, or the District Administrator, or designee within the earlier of either 15 days of delivery of the District's response to the charge of retaliatory action, or 45 days of delivery of the charge of retaliation to the District for response.
- 9.4.6. Upon receipt of request for hearing, the District may apply, within five working days, to the State Office of Administrative Hearings for an adjudicative proceeding before an administrative law judge.
- 9.4.7. The District will consider any recommendations provided by the administrative law judge that the retaliator be suspended with or without pay, or dismissed.

9.5. Responsibilities.

The Director of Aquatics Operations and the District Administrator, or designee, are responsible for implementing the District's policies and procedures for reporting improper governmental action and for protecting employees against retaliatory actions. This includes ensuring that this policy and these procedures are posted where employees will have reasonable access to them, are made available to any employee upon request, and are provided to all newly-hired employees. Supervisors are responsible for ensuring the procedures are implemented within their areas of responsibility. Violations of this policy and these procedures may result in appropriate disciplinary action, including termination.

10. Performance Counseling, Discipline & Termination

The TPMPD endeavors to hire responsible, thoughtful people capable of growth and self-improvement. We expect that if a performance issue is brought to an employee's attention, they will want to solve it immediately. Therefore, our approach is to use communication, confidence and trust as tools to achieve mutually desirable goals. Those who consistently fail to improve their performance or commit serious violations of TPMPD policy should not expect continued employment with the TPMPD.

10.1. Authorization

Over the Director of Aquatics Operations, the District Administrator and the Bookkeeper, as well as over all other employees, the TPMPD Board of Commissioners has full discretion and authority to discuss performance issues, and impose disciplinary action up to and including termination if necessary, in accordance with District policies and the circumstances of the particular case. Additionally, the Director of Aquatics Operations, and designated supervisors, have full discretion and authority to discuss performance issues, and impose disciplinary action up to and including termination if necessary, in accordance with District policies and the circumstances of the particular case.

10.1. Performance Counseling

Performance counseling is intended to increase an employee's efficiency and value to the District by improving the employee's conduct, attitude, habits, or work methods. A counseling session is held between the supervisor and the employee on the subject of the employee's conduct and performance, or their failure to observe a guideline, rule, regulation, or administrative instruction. It is intended to increase an employee's efficiency and value to Tukwila Pool Metropolitan Park District by changing the employee's conduct, approach, habits, or work methods. Following the counseling session, the supervisor should document the discussion in writing. In the event that counseling is ineffective, management may decide that an employee is not suited to employment with the TPMPD.

10.2. Other Disciplinary Actions

If the employee has not responded positively to performance counseling and the management believes that an employee may benefit from further disciplinary actions, they may choose to provide the employee with a written reprimand, suspension (without pay for a defined period of time), or probation. Because of the at-will nature of the relationship, the TPMPD is not required to implement these forms of discipline prior to termination.

10.3. Termination

Unfortunately, there are certain instances when a supervisor must relieve an individual of their duties and status as an employee with the Tukwila Pool Metropolitan Park District.

10.4.1 Situations requiring termination may include, but are not limited to:

10.3.1.1. When an employee has received appropriate performance counseling and remains either unable or unwilling to take corrective action to address a significant performance issue.

10.4.1.2 When the employee has violated the law or TPMPD policy or rules of employee conduct.

10.4.1.3 When the employee exhibits extreme negligence that has or may cause harm to the District, themselves or anyone else.

10.4.1.4 When the District determines that termination of the employee is in the best interest of the District.

10.4.1.5 When the nature of a violation warrants termination, the supervisor must prepare a written report to the Director of Aquatics Operations. The written report must include:

- a) The reason(s) for the termination;
- b) Copies of the notes from any previous performance counseling, warnings or corrective actions that may be relevant;
- c) A brief summary of the employee's work record and length of employment with the District; and
- d) Any other relevant information.

The Director of Aquatics Operations will review the report and support the supervisor in the termination process to ensure that all policies and applicable laws are followed. The written report shall be included in the employee's personnel file.

11. Rules of Conduct

The Tukwila Pool Metropolitan Park District places as few restraints on employee personal conduct as possible. The District relies on each employee's good judgment and sense of responsibility as the principal source of guidance for conducting day-to-day duties and responsibilities. However, for the protection of the District's business interests and other employees, certain rules of conduct have been established. The rules are formalized here for each employee's information and to minimize the likelihood of any employee, through misunderstanding or otherwise, becoming subject to disciplinary action.

11.1. Prohibited Behaviors and Activities

The following is a partial list of behaviors and activities that are not appropriate for TPMPD employees. Staff members who engage in these behaviors and activities will be subject to disciplinary action, up to and including termination.
