As a result of the meeting, the Executive Director will:

## TPMPD Executive Director Committee Meeting Agenda & Summary Minutes

April 10, 2014 5:30pm – 7:00pm (*Unapproved draft*)

Attendees: De'Sean Quinn, Kate Kruller, Kathy Hougardy, Jennafer Price Cargill

Guests: Vanessa Zaputil, Ellen Gengler

#### I. Open Items

#### a) Retreat

Possible locations under consideration include the Tukwila Community Center or the Tukwila School District Board Room. There was a consensus that the time-frame should be 9:00am to 4:00pm.

#### b) Anticipated staffing plan

The City provided the EDC with their plan to cover the supervisory staffing at the Pool. The EDC preliminarily reviewed the plan and asked: "Does this plan maintain the level of service previously agreed upon?" Commissioners could not answer the question at that time but agreed to review the plan in depth and communicate additional thoughts or questions as they arose.

#### c) TPMPD E-mail / Website

The ED was instructed to work with the City's IT staff to implement TPMPD-specific email addresses immediately. The possibility of a separate TPMPD website was also discussed. The ED was instructed to bring details of both options to the next EDC meeting for review.

#### d) Recommended ILA language review

The Board President will communicate with the TPMPD Attorney and request another draft of the ILA that includes the recommendations of the Board to be presented at the April MPD meeting.

#### II. New Items

#### a) TPAC Recommendations

#### i) Reviewing scholarship requests

The ED asked TPAC for more details on their goals and expectations with this recommendation. It was determined that there might be a more streamlined way to provide the oversight they require and the ED will talk to the operator about including scholarship data in their monthly report.

#### ii) Creating sponsorship policies

The ED was able to learn that the operator has no policies relating to sponsorship and was instructed to research and bring some proposed options to the next EDC meeting for review.

#### b) From March MPD Meeting

i) Attorney meeting attendance expectations

It was proposed that this discussion should held with the entire Board of Commissioners at the upcoming Board Retreat.

ii) Process for approaching the governance transition

The EDC decided that this discussion would begin at the next MPD meeting during an Executive Session with the TPMPD Attorney.

iii) Maintenance Plan

The ED requested that the operator provide any existing plan or develop a plan showing at minimum the maintenance schedule and who is tasked to perform each item listed in #18 of the current Interlocal Agreement.

c) Safety Concerns, is the TPMPD responsible for the safety of the public at the pool? The ED receives safety concerns from the public and has personally witnessed things that cause some concern. The operator has requested that all concerns be directed in writing to Rick Still. The EDC would like to be cc'd on all communications of this nature. Additionally, the EDC agreed that the TPMPD is responsible for providing a safe pool.

#### d) ED position description

The EDC reviewed the position description provided upon hire and found that there were differences between a version that was created in August and a second version that was created in October. The Commissioners will review the two versions and continue the discussion at another EDC meeting.

#### e) Current Policies of the TPMPD

The ED has been tasked with proposing policies for the Commissioners to consider and asked if there were currently any policies other than the Scholarship policy found online. The Commissioners confirmed that no other policies exist.

#### f) Suggestion box items from March

Three cards noted with dissatisfaction that a water exercise class had been moved from 6pm to 8pm. A Commissioner was also approached by a member of the public who was also displeased with this change. The EDC instructed the ED to request some information as to the rationale behind the schedule change. Additionally, the EDC would like the operator to provide information about these changes to the Board as they arise and also provide a written process outlining how they respond to issues that are brought to their attention.

g) Aquatic Facility Operator training

The ED proposed that she attend this training in 2015.

#### III. Agenda Items for Next Month

- Sponsorship policy options

#### **FINANCIAL IMPACT**

No financial impact

#### **BACKGROUND**

This Informational Memorandum is to update the Board on Operations and Other Items.

#### DISCUSSION

**Revenues:** March 2014 revenues totaled \$24,657 compared to \$16,937 in March 2013 (a partial month of operations due to the soft opening on 3/9/13), and \$19,958 in 2012.

<u>Swimming Education Programs:</u> In March 2014 there were 1260 swimming lesson participation units compared to 876 participation units in 2012. Staff is not comparing to 2013 because of a partial month of operations due to the Capital Improvement Project closure.

<u>Partnerships:</u> The partnership between the Tukwila School District, Foster High School and the Tukwila Pool continues to be successful for High School PE classes. Approximately 44 students are enrolled in classes that continue for eight and a half more weeks, the last class is scheduled for June 18<sup>th</sup>. Staff continues to work with Tukwila School District staff to ensure the future success of the program.

Staff is working with the Tukwila School District and the MPD Executive Director to develop a Pool Use Agreement which outlines the expectations of each organization surrounding use of the Tukwila Pool.

Global 2 Local (G2L) continues to be a strong supporter of the swimming education programs at the pool. Staff will attend a community leader meeting on Wednesday April 30<sup>th</sup> at 5:30pm.

**Special Events**: April Pools Day: The event was held on Saturday, April 19 from 1:00 - 4:30 pm. At the time this report was created the event was in the final stage of preparations. The schedule of events was to include a Water Safety Carnival, Lifejacket Fashion Show, Lifejacket and Swimming Lesson Raffle, and an Open Swim. The goal of the event was to educate pool users about safe behaviors in, on, and around the water. Fliers for the event were distributed to all local elementary school students throughout the first two weeks of April and an advertisement for the event was in the

March and April editions of the Tukwila Reporter. For safety reasons, attendance of this event was limited to the first 150 participants.

**Tukwila Turtles Special Olympics Swim Team Regional Meet:** The meet was held on Saturday, April 19, 2014 from 9:15 am - 5:00 pm @ the King County Aquatics Center (650 SW Campus Drive Federal Way, WA 98023). At the time of this report the Tukwila Turtles had 19 athletes participating of the 600 athletes registered in this year's meet. The grant was awarded to the City of Tukwila's Parks and Recreation Department (P&R) in 2013. The grant had two major components: the first component was researching and creating policies to support universal recreation and swim opportunities, the second was to develop policies that support reaching traditionally underserved populations. Four policies were developed; two of those policies will be brought to the MPD Executive Director Committee for input in May as they have potential impact to the MPD. #### INFORMATIONAL MEMORANDUM

FROM: Rick Still, Parks and Recreation Director

DATE: **April 16, 2014** 

SUBJECT: Update on Community Transformation Grant for Tukwila Pool

#### ISSUE

Community Transformation Grant Outcomes

#### BACKGROUND

In April 2013 the City was awarded a Community Transformation Grant (CTG) from Seattle Children's Hospital, Healthy King County Coalition and Seattle & King County Public Health with funding from the Centers for Disease Control and Prevention. The grant was awarded to support a healthy community by ensuring universal swimming opportunities and removing barriers to participation.

The grant had two major components. The first component was researching and creating policies to support universal swim opportunities, the second was to develop policies that support reaching traditionally underserved populations in regard to swimming education. Staff identified four areas to achieve grant components, as follows:

- 1. continuation of the pilot third grade swimming lesson voucher program and policy development to support the program:
- 2. development of policy for youth volunteer Guard Start program;
- develop policy that will guide and support the use of translated printed materials;
- 4. develop policy for recreational programming to ensure access for all community members.

#### DISCUSSION

Staff has researched and developed four policies as part of the deliverables for the CTG. The policies support the primary goals of the grant by supporting universal swimming opportunities and overcoming barriers to participation in healthy lifestyle activities such as swimming. Those policies are attached as follows:

- A. City of Tukwila Parks and Recreation Policy 200.15: Print Translation Services
- B. City of Tukwila Parks and Recreation Policy 200.16: Single Gender Recreation Opportunities
- C. City of Tukwila Parks and Recreation Policy 700.02: 3rd Grade Swimming Lesson Voucher Program
- D. City of Tukwila Parks and Recreation Policy 700.03: Youth Guard Start Program

The policies meet several goals outlined in the City of Tukwila's Comprehensive Plan, Strategic Plan, Parks Recreation and Open Space Plan (PROS), and meet several goals of the Tukwila Metropolitan Park District (MPD). Attachment E provides details about the specific goals and objectives accomplished via the PROS Plan and of the MPD.

All participants that successfully complete Lifeguard Training will be guaranteed and interview for the position of Lifeguard at the Tukwila Pool.
- Tukwila Pool staff will work in cooperation with the local school districts to identify potential students who would benefit from participation in the program. Tukwila Pool staff will also work to develop a skills development program if needed so local young people could gain the skills to be able to successfully enter a Lifeguard Training course.
- Tukwila Pool staff will be responsible for determining the size and scope of the program based on demand and operational capacity. Tukwila Pool staff will set goals for the program each year and track the success of the program through the number and progress of participants.

#### INFORMATIONAL MEMORANDUM

#### **Tukwila Pool Metropolitan Park District**

TO: Tukwila Pool MPD Board President

DATE: April 13, 2014

SUBJECT: TPAC Committee Chair's Report and Recommendation

David Puki, Tukwila Pool Advisory Committee Chair

#### ISSUE

FROM:

Summary of the April meeting held at TCC

#### FINANCIAL IMPACT

N/A

#### **BACKGROUND**

Meeting date April 05, 2014

#### DISCUSSION

- 1) The committee reviewed student participation and additional committee members as directed by the Board during the February MPD meeting. Please see the April meeting minutes when submitted for discussion details. A revised (2) option recommendation was approved and is provided below.
- 2) Business items 2 and 3 of the TPAC agenda were combined to have a discussion about how to combine pool events around other community special events such as Touch a Truck or Night Out. Discussion on holding a BBQ/Swim Party either before of following other community events as a fund raiser might be an opportunity. Private community pools seem to use this approach for their memberships with good success. The committee will follow-up on this concept at future meetings.
- 3) Our ED update revealed that previous TPAC recommendations were going to be discussed at the next EDC meeting. Variations to scholarship approvals for transparency would be discussed. Jennafer also informed us that there was no formal sponsorship policy and one will need to be created. She updated us on the TPAC web page and said it would be some time before it would be available. Other decisions regarding the Pools website must be made first.
- 4) It was noted at the end of our meeting that next month we will have election of Committee officers for the next year.

#### TPAC RECOMMENDATIONS

TPAC recommends the following choices for committee expansion;

- 1<sup>st</sup> Choice: TPAC's original recommendation 5 regular voting members, up to 4 non-voting student representatives. (Preferred)
- 2<sup>nd</sup> Choice: TPAC recommends this committee be expanded to include 6 regular voting members. In addition, TPAC recommends up to 2 voting student representatives be included in the expansion of committee members.

APPROVAL OF FEBRUARY 1, 2014 MINUTES: Kim made motion to accept minutes as presented, Vanessa seconded. Unanimous Vote

Business Item 1: Review and discussion of Scholarship data received.

Dave handed out scholarship data that was provided at the November 2013 TP MPD Meeting. Dave indicated that this scholarship data was never formally received by TPAC, but was included in the TP MPD November packet by Rick Still. This data is to help with the success of the program and what anticipated usage will be in the future. Current budget allows \$10,000 for scholarships. The information that was provided showed the number of scholarships awarded, number of visits covered by scholarship, number of individuals, number of returning participants, number of Camp Tukwilly recipients, percent of returning participants and value of scholarship and number of 3<sup>rd</sup> grade swim lesson vouchers redeemed through October 2013. Vanessa provided a pie/bar chart to determine how many people are getting lessons, 25 students received 1 session and 20 received 2 sessions. Based on the data provided it appears that the \$10,000.00 budget seems to be adequate for the year. Vanessa asked the question if the policy needed to be changed from the current 25/50/25 to upping the summer amount to accommodate the summer lessons and lesson the winter and spring percentages. Discussion of student progression to the next level, who makes the decision regarding students needing to repeat, how many students need to repeat? Is additional funding required to accommodate if students are repeating. Is fund raising needed to accommodate?

Vanessa asked the question regarding the 3<sup>rd</sup> grade swim lesson voucher program and where this funding is coming from, is this included in the Scholarship funding? For transparency, tracking of the 3<sup>rd</sup>

grade vouchers would be helpful data and should this program be tracked separately. The 3<sup>rd</sup> grade vouchers are given to all 3<sup>rd</sup> grade students in the Tukwila School District for one set of lessons. This does not include Tukwila residents that have kids going to other school districts like Highline and home schools. Vanessa indicated that tracking and attendance of the classes would be helpful information for use of public dollars and transparency.

Vanessa made a motion to recommend that the Executive Director to sign off on every approved Scholarship application as well as every session awarded. Jeri seconded. Unanimous vote.

Business Item 2: Pool Cover Usage

Staff indicated at the TP MPD Meeting that as of Monday February 24<sup>th</sup> the pool cover is being used daily. Kim wanted to send thanks to staff on behalf of TPAC for implementing the pool cover.

Business Item 3: Marketing discussion on Tukwila Business involvement and sponsorship.

Jeri indicated that she had a brief meeting with Amy regarding how best to approach local Tukwila Businesses with sponsorship and to also get their employees involved in the pool. Jeri indicated that since every member has a different relationship with businesses and citizens, if they could provide a list of 10-20 businesses in Tukwila that they feel would be a good target for possible sponsorship. Jeri asked if she could get this list before March  $19^{th}$  which is the next Marketing Meeting. Business sponsorship could help with additional funding for the pool. Discussion was brought up about businesses being able to donate and possibly incentive to receive a tax benefit. Dave indicated some other pools have used business sponsorship with banners and kick board advertising. Vanessa indicated that this should be a policy that the TP MPD should put into play regarding sponsorship, advertising and revenue opportunities and set procedure guidelines.

Vanessa made a motion to recommend the TMPD create a policy for donor/ sponsorship opportunities, Jeri seconded. Unanimous vote.

Jeri also did indicate that she had mentioned to Amy about eblast for marketing, and Amy indicated that is wasn't very successful.

Business Item #4: Executive Director Update

Website: Jennafer asked if TPAC would like to have a page, all were in agreement with yes. Jennafer is currently working on updating the website to include the TP MPD and TPAC information. Vanessa indicated that the Snohomish Aquatic Center is an awesome site to try to copy.

TPAC Student/Member increase: Jennafer indicated that at the TP MPD Meeting on Wednesday the Commissioners had asked for resolution #8 to be taken back to TPAC for their recommendation. The TP MPD would like to see 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> choice of recommendations for how many regular and student

positions. Kim indicated that 6 of the 7 commissioners indicated that they liked the idea of a student voting privileges. TPAC to put on future agenda to discuss and come up with recommendation as directed.

Jennafer indicated that posting staff photos at the pool is an ongoing discussion with staff, they are working on what the best solutions is and what the best need will be. Ellen gave accolades to Jennafer for taking over the task of the CityClerk at the TP MPD meeting which cuts down on staff time to the TP MPD. Kim also thanked Jennafer for her report on the K & J Design recommendations. Allan also added that the TP MPD board is happy about the fact that Jennafer is to be involved with the Marketing and will be continuing to work with the operator regarding thoughts on full time management coverage.

Jeri made motion to adjourn, Vanessa seconded.

# Executive Director's Priorities for KJ Designs Report Recommendations

# Submitted February 2014

Each of the items below (exceptions noted) was labeled as "High Priority" by KJ Designs. Highlighted items are considered "Highest Priority" by the TPMPD Executive Director.

Key: (p) = policy only, (po) = policy optional, (o) = operational only

Item numbers correspond to the document called "Tukwila Staff Responses to Recommendations in the KJ Designs Pool Administrative and Program Assessment October 2013" Attachment B.

Items marked "n/a" were not included in that document and therefore not assigned an item number.

Item#	Topic: Learn To Swim	Additional info:	Status or Recommendation:
74	On-line registration (po)	Currently being researched for all Tukwila P&R programs. Independently purchased software would require a \$3000-\$5000 annual financial commitment.	City is reviewing online software options, implementation scheduled for 2016 once current software becomes obsolete
46-53	Establish and maintain standards of general class guidelines (po)	Some instructors may be achieving these standards, but obviously KJ saw that some were not.	Continuing education and increased accountability strongly recommended
24	Stagger class start & end time (o)	Hidden labor costs with little ROI	Not recommended at this time, additional funding would be required, slate for reconsideration in 2015.
43 & 76	Saturday lessons with 6-8 classes (o)	Current option allows patrons to sign up for two sets Saturday sessions back-to-back (8 classes) for same cost as 8 weekday classes	Implemented June 2013
75	Adjust the length of classes based on skills and levels (o)	Significant hidden labor costs with little ROI	Not recommended at this time, additional funding would be required, slate for reconsideration in 2015.
e Z	Ensure that safety skills are taught during each lesson (po)	Some instructors may be achieving this standard, but obviously KJ saw that some were not.	Continuing education and increased staff accountability strongly recommended

#Eal	Topic: Learn To Swim (cont.)	Additional info:	Status or Recommendation:
92	Create formal swim screening process and modify class assignment if a child is inappropriately placed (o)	Currently, level testing is only provided when a student is transferring	Option: Create a policy requiring that instructors screen students in the first class of each session to ensure they are placed properly (add'l safety measure)
81-84	Clearly designate lesson space per instructor (depth, dividers and signage) (o)	Spaces are designated, but not visibly. Parents and others are not aware of boundaries.	Recommend that staff brainstorm options and experiment with signs or other visible dividers.
77-78	Add programs and times offered (preschool, kinder, family & friend) (o)	Pool staff continue to review programming to seek additional options and needs.	On-going
ŧ	Topic: Partnership Opportunities	Additional Info:	Status or Recommendation:
ē	Partner with public and home school programs (p)	Swim lessons provided to students at Foster HS in partnership with TSD. Continuing to work out details of partnership.	Implemented 2013 w/public schools only

n/a	Guest services should be over 50% of the job for all employees (o)	Lifeguards are not as consistent in this area as management staff.	Allowing the patrons to learn the names of the guards would assist greatly toward improving the guest experience.
3,	Lifeguards must wear fanny packs (po)	Fanny packs are kept at each guard stand	
32	Shadow guard or shadow instructor and mentoring program for all new employees regardless of prior experience (po)	Management feels that this is being done. Clearly KJ thought it should be done more.	Highly recommended by ED
34	Provide LGT certification every year (po)	Additional expense would have to be approved	Highly recommended by ED

# Status Report on Implementation of KJ Designs Report Recommendations As of Feb 2014

Created by Jennafer Price Cargill

### Breakdown of all KJ Designs Report recommendation status

For brevity, I have used the numbering system developed for the document called "Tukwila Staff Responses to Recommendations in the KJ Designs Pool Administrative and Program Assessment October 2013" Attachment B. All percentages were rounded and were calculated after the redundancies were eliminated.

Tukwila Pool staff and the TPMPD have already implemented or are in the process of implementing 46% of the recommendations.

(Items #: 5, 12-15, 17, 19-30, 32, 41, 43, 49, 72, 74, 76, 79, 82, 84, 85, 87, 94, 96-101, 104-106, 112, 114-119, 122, 123, 125, 127, 129, 131, 135, 138, 142-146)

The pool management intended to implement another 29% of the recommendations but possibly require additional support to do so fully.

(Items #: 1, 3, 31, 33, 38, 40, 44, 46-48, 51-56, 58-69, 80, 90, 92, 93, 110, 111, 128, 139)

Approximately 11% of the recommendations would require a financial commitment that has not been funded.

(Items #: 34-36, 39, 42, 45, 57, 75, 86, 95, 120, 121, 132)

Fewer than 10% of the recommendations were evaluated and found to be unnecessary or undesirable for our facility or community at this time

(Items #: 2, 7, 11, 18, 70, 71, 73, 79, 126, 130, 137)

4% require further TPMPD action/review

(Items #: 124, 133, 134, 136, 140, 141)

Multiple items were eliminated for redundancy - FYI

(Items #: 4, 6, 8-10, 16, 37, 50, 77, 78, 81, 83, 88, 89, 91, 97, 102, 103, 107-109, 113)

### INFORMATIONAL MEMORANDUM

### **Tukwila Pool Metropolitan Park District**

TO: Tukwila Pool Metropolitan Park District (TPMPD) Board of Commissioners

FROM: Mary Miotke, City of Tukwila IT Director

DATE: April 23, 2014

SUBJECT: TPMPD email addresses for Board members

### ISSUE

Email addresses will be established for the TPMPD Board members.

### **BACKGROUND**

This item was included on the agenda and discussed at the March 26, 2014 TPMPD meeting. It was unanimously approved to establish email addresses for the Board members. The TPMPD Executive Director met with City Administrative and IT staff this past week to discuss implementation.

### **DISCUSSION**

Email addresses will be established for the TPMPD Board of Commissioners within the next few weeks. Staff is preparing procedures and guidelines for proper use as well as general setup instructions for Board members for using the email addresses in compliance with RCW42.56 of the Public Records Act. Individualized setup and training by the City's IT Department will also be offered as needed. Access to the TPMPD email will be either on the hosted email server using a web browser or connected to a device specifically intended for TPMPD use. 3<sup>rd</sup> party email archiving services are being researched and suggested solutions will be brought to the Board for consideration. The standard format for the email addresses will be determined by the MPD Executive Director.

### FINANCIAL IMPACT

There will be no financial impact for implementing email addresses, as the email addresses are included in the current hosting charges for the TPMPD webpage. Any 3<sup>rd</sup> party archiving solution will most likely have a slight financial impact and will be included in future discussion material.

### **ATTORNEY REVIEWED:** Yes

### **RECOMMENDED ACTION:**

It is recommended that the Board of Commissioners consider a motion to approve the Board President and Clerk of the Board to execute the attached Intergovernmental Transfer Agreement and the Bargain and Sale Deed transferring legal ownership of the Tukwila Pool to the TPMPD.

Tukwila Pool	Metropolitan Park District ("TPMPD"), both of whom are W	Vashington
	orations (collectively, the "Parties").	

WHEREAS, Tukwila acquired the Tukwila Pool (previously the "South Central Pool") from King County in 2003 pursuant to the terms of the Intergovernmental Transfer Agreement Between King County and the City of Tukwila Relating to the Ownership, Operation and Maintenance of the South Central Pool (the "King County Agreement"); and

WHEREAS, the King County Agreement set forth a number of specific covenants pertaining to use to be contained in the deed transferring ownership of the Tukwila Pool to Tukwila; and

WHEREAS, pursuant to the King County Agreement, the same covenants must be included in any future deed transferring the Tukwila Pool for public park, recreation or open space uses; and

WHEREAS, the TPMPD was formed in 2011 with the purpose of maintaining and operating the Tukwila Pool for recreation purposes; and

WHEREAS, the TPMPD now operates and maintains the Tukwila Pool for recreation purposes; and

WHEREAS, Tukwila desires to transfer its ownership interest in the pool to the TPMPD, subject the covenants, terms, and conditions set forth in the King County Transfer Agreement;

NOW, THEREFORE, in consideration of the mutual promises contained herein and other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Tukwila and the TPMPD agree as follows:

### 1. Conveyance of Title.

1.1 Within thirty (30) days of execution of this Agreement, Tukwila shall

Page - 1

convey to the TPMPD by deed all its ownership interest in the Tukwila Pool (the "Property"), which is described more fully Exhibit A.

1.2 All deeds shall also contain the following specific covenants pertaining to use, which covenants shall run with the land. Tukwila and the TPMPD agree that Tukwila and King County shall have standing to enforce these covenants, which shall be set forth as follows:

The TPMPD, as required by RCW 36.89.050, covenants that the Property shall be continued to be used for open space, park, or recreation purposes or that other equivalent facilities within the King County shall be conveyed to King County in exchange therefore.

The TPMPD covenants that it shall abide by and enforce all terms, conditions and restrictions in King County Resolution 34571, including that the TPMPD covenants that the Property will continue to be used for the purposes contemplated by King County Ordinance 34571, that the Property shall not be transferred or conveyed except by agreement providing that such lands shall continue to be used for the purposes contemplated by King County Resolution 34571, and that the Property shall not be converted to a different use unless other equivalent lands and facilities within King County or Tukwila shall be received in exchange therefore.

The TPMPD covenants that it shall not use the Property in a manner that would cause the interest on King County bonds related to the Property to no longer be exempt from federal income taxation.

The TPMPD covenants that it will not limit or restrict access to and use of the Property by non-City residents in any way that does not also apply to city residents. The TPMPD covenants that if differential fees for non-Tukwila residents are imposed, they will be reasonably related to the cost borne by Tukwila taxpayers to maintain, improve or operate the Property for parks and recreation purposes.

The TPMPD covenants that it shall place the preceding covenants in any deed transferring the Property or a portion of the Property for public park, recreation or open space uses.

- 1.3 The TPMPD and Tukwila agree that the assignment of Tukwila's lease for the underlying real property upon which the Tukwila Pool is built will convey all the rights and obligations of Tukwila contained in the lease, and that the TPMPD shall assume all the rights and obligations of Tukwila, including the covenants, contained in the lease.
- 1.4 The Property being conveyed includes the equipment and supplies that are necessary to operate and maintain the Tukwila Pool. Tukwila will leave such equipment and supplies on site, which equipment and supplies will include all furniture, lifeguard equipment, first aid supplies, specialty tools, operator manuals, as-built pool and remodel plans, phone system, lighting fixtures, miscellaneous pool equipment, building maintenance supplies, spare parts, and materials such as chlorine and filtration supplies for pool maintenance.
- **Existing Restrictions, Agreements, Contracts or Permits.** The TPMPD shall abide by and enforce all terms, conditions, reservations, restrictions and covenants of title at the time of conveyance and/or in the deed of conveyance.

# 3. <u>Condition of Premises and Responsibility for Operations, Maintenance, Repairs, Improvements, and Recreation Services.</u>

- 3.1 The TPMPD has inspected and knows the condition of the Property and agrees to accept the Property in AS IS condition, and to assume full and complete responsibility for all operations, maintenance, repairs, improvements of, and provision of recreational services at the Property.
- 3.2 Tukwila does not make and specifically disclaims any warranties, express or implied, including any warranty of merchantability or fitness for a particular purpose, with respect to the Property, and no official, employee, representative or agent of Tukwila is authorized otherwise.
- 3.3 The TPMPD acknowledges and agrees that Tukwila shall have no liability for, and that the TPMPD shall release and have no recourse against Tukwila for, any defect or deficiency of any kind whatsoever in the Property without regard to whether such defect or deficiency was known or discoverable by the TPMPD or Tukwila.

### 4. Indemnification and Hold Harmless.

4.1 Tukwila shall indemnify and hold harmless the TPMPD and its elected officials, officers, agents or employees, or any of them, from and against any

and all claims, actions, suits, liability, loss, costs, expenses and damages of any nature whatsoever, (i) which are caused by or result from a negligent action or omissions of Tukwila, its officers, agents and employees in performing its obligations pursuant to this Agreement, and/or (ii) arising from those occurrences related to the Property that occurred prior to formation of the TPMPD. In the event that any suit based upon such a claim, action, loss or damage is brought against the TPMPD or the TPMPD and Tukwila, Tukwila shall defend the same at its sole cost and expense and, if final judgment be rendered against the TPMPD and its officers, agents and employees or jointly against the TPMPD and Tukwila and their respective officers, agents and employees, Tukwila shall satisfy the same.

- 4.2 The TPMPD shall indemnify and hold harmless Tukwila and its elected officials, officers, agents and employees, or any of them, from and against any and all claims, actions, suits, liability, loss, costs, expenses and damages of any nature whatsoever, (i) which are caused by or result from a negligent act or omission of the TPMPD, its officers, agents and employees in performing obligations pursuant to this Agreement, and/or (ii) arising from those occurrences related to the Property that occurred on or after the formation of the TPMPD. In the event that any suit based upon such a claim, action, loss or damage is brought against Tukwila or Tukwila and the TPMPD, the TPMPD shall defend the same at its sole cost and expense and, if final judgment be rendered against Tukwila and its officers, agents and employees or jointly against Tukwila and the TPMPD and their respective officers, agents and employees, the TPMPD shall satisfy the same.
- 4.3 Each Party to this Agreement shall immediately notify the other of any and all claims, actions, losses or damages that are or are brought against that Party relating to or pertaining to the Property.
- 4.4 Each party agrees that its obligations under this paragraph extend to any claim, demand, and/or cause of action brought by or on behalf of any employees, or agents. For this purpose, each party, by mutual negotiation, hereby waives, with respect to the other party only, any immunity that would otherwise be available against such claims under the Industrial Insurance provisions of Title 51 RCW, but only to the extent necessary to indemnify the other party.
- **Saluer and Amendments.** Waiver of any breach of any term or condition of this Agreement shall not be deemed a waiver of any prior or subsequent breach. No term or condition shall be waived, modified or deleted except by an instrument, in writing, signed by the parties hereto.
- **6.** Entire Agreement and Modifications. This Intergovernmental Agreement and Page 4

its Exhibits sets forth the entire agreement between the parties with respect to the subject matter hereof. It may be supplemented by addenda or amendments, which have been agreed upon by both parties in writing. Copies of such addenda and amendments shall be attached hereto and by this reference made part of this contract as though fully set forth herein.

- 7. <u>Duration and Authority</u>. This agreement shall be effective upon signature and authorization by both parties. The terms, covenants, representations and warranties contained herein shall not merge in the deed of conveyance, but shall survive the conveyance and shall continue in force unless both parties mutually consent in writing to termination.
- 8. Notice. Any notice, declaration, demand or communication to be given by a party to this Agreement to the other shall be in writing and transmitted to the other party by personal service or certified U.S. mail, return receipt requested, postage fully prepaid, addressed as follows:
