TUKWILA POOL METROPOLITAN PARK DISTRICT (TPMPD)

Mission, Vision & Values

TPMPD Mission Statement:

To provide a welcoming public aquatics facility managed in a fiscally-responsible manner with a focus on educating all ages in the lifelong skills of water safety. We carry out this mission with a Board and staff who are compassionate, inclusive, and responsive to the needs of our diverse community, working to foster positive and lifelong experiences with aquatic environments.

TPMPD Vision Statement:

Contributing to the quality of life for our community, and for future generations, through welcoming, fun, safe and positive aquatic experiences at the Tukwila Pool.

TPMPD Core Values:

We Value...

- ...a safe, inclusive, caring public resource that is integrated into the fabric of our community
- ...educating all ages of our community in the lifelong skills of swimming and water safety
- ...integrity and maintaining the highest ethical standards by communicating honestly and transparently
- ...treating everyone with respect and embracing diverse opinions
- ...conducting our business and maintaining our facility in a fiscally-responsible manner that ensures the community can depend on aquatics as an available resource for generations to come
- ...creative, affordable and fun programming that is responsive to the community's needs and contributes to the overall health and wellness of the community
- ...a spirit of collaboration and innovation when working with others to enhance services available for our community members
- ...our amazing volunteers!
- ...citizens of Tukwila whose support allows every resident and staff member to feel a sense of ownership of the pool

TUKWILA POOL METROPOLITAN PARK DISTRICT

Regular Meeting of the Board of Commissioners

03. CITIZEN COMMENTS

Members of the community may address the BoC at this time. Kindly limit discussion time to 4 minutes per person or group

Additional Information Regarding Virtual Meetings:

- Tukwila Pool MPD Virtual Public Meetings are **PUBLIC RECORD** and will be posted on our website. Please turn off your webcam/dial in by phone only if you do not wish to have images recorded.
- Members of the public will only be unmuted during the citizens comments section of the meeting in order to address the Board of Commissioners.
- Our current work from home situation has caused a higher demand for virtual software resources, and connection problems may arise. If you experience connection difficulties during the meeting, we suggest the following:
 - a. Turn off your webcam
 - b. Dial in by phone only
 - c. Use the "Who's Talking" view rather than "Everyone" view
- If your connection is dropped during the meeting, please use the original link/dial in number to rejoin.

INFORMATIONAL MEMORANDUM

Tukwila Pool Metropolitan Park District

TO: Tukwila Pool MPD Board of Commissioners

FROM: Brad Harpin, Director of Aquatics Operations and

Kristine Selleck, District Administrator

DATE: June 8, 2020

SUBJECT: Operations/District Report

a) Pool Reopening scheduled for July 15th by appointment only (lap swim, water exercise, water walking):

- i. Appointment can be made at: https://tukwilapoolmpd.getomnify.com/#!/home
 DoAO feels the pool can comply with the COVID19 reopening requirements for staffed Water Recreation Facilities.
 - 5 lifeguards will be returning
 - Facility Schedule will be modified (5:30am 12pm M-F) (6:30am 12:00pm Sat)
 - Super Strokes and Pre comp swim lessons are being evaluated to potentially return for 2-week (M/W/F) sessions. (both programs can be safely done while practicing social distancing)
 - Level 1-3 Minnow and Shark classes are currently being reviewed for a later start date. (DoAO and assistant manager Jessica S. are designing the new program model)
 - o Model will most likely involve a child and parent in the water taking instruction from the on deck or in water (socially distanced instructor)

b) Network/Marketing:

- i. Newsletters: DoAO will share newsletter data during the operations report at next regularly scheduled board meeting.
- ii. WRPA Aquatics Network Meeting was held on June 25th at 10:30am. The topic was reviewing revised reopening guidelines for aquatics facilities.
- iii. American Red Cross sent a thank you note and plaque for the Centennial Campaign.
- iv. Tukwila Pool Advisory Committee Meeting scheduled for July 11, 2020 via GoToMeeting.

c) Facilities

- i. McKinstry:
 - a. Service Proposal Pump 1 has been approved (leak on seal to be repaired).
 - b. Ventilation requirements (#30) for COVID-19 reopening requirements.

 Keep doors and windows open where possible and utilize fans to improve ventilation only if it is a lifeguarded facility and an on-duty lifeguard is present. Adjust mechanical ventilation systems to bring in as much outside air as possible. Increase filters to MERV 13 if the HVAC can accommodate.
 - c. Facility Condition Assessment (FCA) was held on June 10th. Each Commissioner was emailed a recording of the presentation from Grant@McKinstry.com.
- ii. Orca Pacific. Inc: Expansion joint repair completed.
- iii. MacDonald Miller: Hot water heater project completed.
- d) Provided administrative support to Operations and Finance Committee.

INFORMATIONAL MEMORANDUM

Tukwila Pool Metropolitan Park District

TO: Tukwila Pool MPD Board of Commissioners

FROM: Brad Harpin, Director of Aquatics Operations and

Kristine Selleck, District Administrator

DATE: July 13, 2020

SUBJECT: Families First Coronavirus Response Act (FFCRA)

ISSUE

The Tukwila Pool staff need to know and understand what leave they may qualify for related to the COVID-19 pandemic.

FINANCIAL IMPACT

The financial impact will be determined if and when an employee requires the use of FFCRA.

BACKGROUND

The United States Department of Labor enacted the Families First Coronavirus Response Act (FFCRA or Act) in March 2020. This act requires certain employers to provide their employees with paid sick leave and expanded family and medical leave for specified reasons related to COVID-19. These provisions will apply from April 1, 2020 through December 31, 2020.

DISCUSSION

The Director of Aquatics Operations and District Administrator have created a memorandum to inform employees of the details regarding the FFCRA and the employer's obligations to meet the requirements.

RECOMMENDATION

Informational purposes only

ATTACHMENTS

Tukwila Pool FFCRA Memorandum

Families First Coronavirus Response Act

1.0 PURPOSE

The purpose of this document is to address Tukwila Pool Metropolitan Park District (District) employees' temporary protected leave and paid leave benefits for certain absences arising from the COVID-19 outbreak in accordance with the federal Families First Coronavirus Response Act (FFCRA) The benefits available under this act are available beginning on April 1, 2020 and expire December 31, 2020 and will be administered in accordance with the FFCRA statute and forthcoming federal regulations and guidance.

The FFCRA provides for two categories of leave

1.1

Emergency Sick Leave -- up to 10 days leave for various reasons related to the COVID-19 outbreak (*Detailed in section 2*).

1.2

Public Health Emergency Leave (PHEL/FMLA) -- expands existing Family and Medical Leave Act (FMLA) coverage to provide up to 12 weeks of partially-paid leave for eligible employees forced to miss work due to closure of their child's school or the unavailability of the child's childcare provider for reasons related to COVID 19 (*Detailed in section 3*).

2.0 EMERGENCY SICK LEAVE

2.1

Eligibility -- District employees may be eligible for up to 80 hours of Emergency Sick Leave, which may be fully or partially paid, if the reason for taking leave is listed in the Covered Reasons for Using Emergency Sick Leave. District employees are entitled to use Emergency Sick Leave when they are unable to work, or telework, for any of the following reasons:

2.1.1

The employee is subject to a federal, state, or local quarantine or isolation order related to COVID-19. (Please note: The Department of Labor has advised that a state or local "stay at home" or "shelter in place" order does not qualify under this reason; however, such orders may become covered under reason (6) below pending further guidance from the federal government. The District will continue to monitor federal guidance on this issue).

2.1.2

The employee has been advised by a health care provider to self-quarantine due to concerns related to COVID-19.

2.1.3

The employee is experiencing symptoms of COVID-19 and is seeking a medical diagnosis.

2.1.4

To care for an individual who is self-isolating for one of the reasons described in (1) or (2) above.

2.1.5

To care for the employee's child under age 18 due to closure of the child's school or unavailability of the child's childcare provider due to COVID-19 precautions. A "child" is defined the same as under the FMLA; i.e., a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis who is either under 18 years of age or is 18 years of age or older and "incapable of self-care because of a mental or physical disability" at the time leave is to commence.

2.1.6

The employee is experiencing any other substantially similar condition specified by the Secretary of Health and Human Services in consultation with the Secretary of the Treasury and the Secretary of Labor.

2.2

Paid Leave Entitlement – District full-time employees are entitled to up to 80 hours of Emergency Sick Leave. District part-time employees are entitled to the Emergency Sick Leave equal to the number of hours typically worked over a two-week period. For employees with variable hours, hours will be determined based on the average number of hours scheduled over the six-month period preceding the leave (including paid leave hours) or on a reasonable expectation at the time of hire as to the hours per day the employee would normally be scheduled to work. Any Emergency Sick Leave available under this entitlement is in addition to accrued leave to which an employee is already entitled under existing District benefit agreements.

2.3

Reduced Benefit for Certain Leaves; Cap on Sick Leave Amount -- Where Emergency Sick Leave is taken for reasons (2.1.1), (2.1.2), or (2.1.3) above (which cover leave due to the employee's own health or quarantine), the paid sick leave benefit is equal to the employee's regular rate of pay for the missed work time, provided that Emergency Sick Leave is capped at \$511 per day and \$5,110 in the aggregate when leave is taken for these reasons. Where leave is taken for reasons (2.1.4), (2.1.5), or (2.1.6) above (to care for another, to care for a child due to a school closure or unavailability of childcare, or where the employee is experiencing a substantially similar condition), the paid sick leave benefit is two-thirds of the employee's regular rate of pay, if Emergency Sick Leave is capped at \$200 per day and \$2,000 in the aggregate when leave is taken for one of these reasons.

3.0 PUBLIC HEALTH EMERGENCY LEAVE (PHEL/FMLA)

3.1

Eligibility -- Employees who have worked for the District for at least 30 calendar days are eligible for PHEL/FMLA leave. An employee need not meet the eligibility requirements for regular FMLA (12 months of employment and 1250 hours worked in the prior year) to be eligible for PHEL/FMLA.

3.2

Leave Entitlement -- An eligible employee may take up to 12 weeks of protected leave if the employee is unable to work, or telework, based on a need to care for the employee's child under age 18 because the child's school or place of care has been closed, or the child's childcare provider is unavailable due to a public health emergency. A public health emergency means an emergency with respect to COVID-19 declared by a federal, state, or local authority. PHEL/FMLA may be taken intermittently only if approved by the District.

3.2.1 PHEL/FMLA is part of an employee's regular FMLA leave entitlement. Accordingly, if an employee has already used FMLA for other purposes during the FMLA leave year, the amount of available PHEL/FMLA will be reduced by the amount of FMLA leave already taken. PHEL/FMLA leave will be available through December 31, 2020.

3.3

Partial Pay Entitlement -- The first 10 days of PHEL/FMLA will be unpaid, although employees may elect to use accrued leave or Emergency Sick Leave during this period. For leave beyond the first 10 days, the District will pay two-thirds of the employee's regular pay, up to a maximum of \$200 per day or \$10,000 in the aggregate. Pay is calculated based on the number of hours an employee would otherwise have been scheduled to work. For employees with variable hours, hours will be determined based on the average number of hours scheduled over the six month period preceding the leave (including paid leave hours) or on a reasonable expectation at the time of hire as to the hours per day the employee would normally be scheduled to work. Employees may elect to supplement the PHEL/FMLA paid benefit with their accrued leave

4.0 USE OF PAID SICK LEAVE; SEQUENCING WITH OTHER LEAVE; INTERMITTENT USE

District Employees may access Emergency Sick Leave for a covered reason before exhausting other accrued leaves. If an absence is covered by Emergency Sick Leave and PHEL/FMLA described above, the employee may elect to use Emergency Sick Leave during the first 10 days of PHEL/FMLA to remain in paid status. If an employee is using Emergency Sick Leave intermittently due to a closure of a child's school or unavailability of the childcare provider, the employee may take leave intermittently only with the Employer's approval. An employee may also use Emergency Sick Leave intermittently with Employer approval if unable to telework his/her normal schedule of hours due to a qualifying reason (for example, if an employee can telework in the morning, but needs to care for a child in the afternoon due to a school closure). Per Department

of Labor guidance, where an employee is not teleworking, intermittent use of Emergency Sick Leave is not permitted when leave is taken for reasons (2.1.1), (2.1.2), (2.1.3), (2.1.4), or (2.1.6) above. In such cases, Emergency Sick Leave must be taken in full-day increments and once leave is initiated for one of these reasons, the employee must continue to use Emergency Sick Leave until either (i) the full amount of Emergency Sick Leave has been used; or (ii) the employee no longer has a qualifying reason for taking Emergency Sick Leave. The Department of Labor has explained that this requirement is imposed because if an employee is actually or possibly sick with COVID-19, or is caring for someone who is sick or possibly sick with COVID-19, the intent of the law is to provide paid leave to prevent the spread of the virus.

5.0 CARRYOVER, TERMINATION OF BENEFIT

The Emergency Sick Leave Benefit expires on December 31, 2020; any unused Emergency Sick Leave will not be carried over to the next calendar year or merged into other leave banks. Additionally, the entitlement to Emergency Sick Leave ceases beginning with the employee's next scheduled work shift immediately following the termination of the need for paid sick leave. However, to the extent an employee subsequently needed additional time off for another covered reason prior to December 31, 2020, the employee could use any remaining Emergency Sick Leave available.

6.0 NOTIFICATION

An employee who needs to take Emergency Sick Leave should notify the Director of Aquatics Operations (DoAO) as soon as practicable. After the first workday (or portion thereof) that an employee takes Emergency Sick Leave, the employee must follow the notice requirements required for use of regular sick leave.

7.0 VERIFICATION

An employee requesting Emergency Sick Leave must: specify the qualifying reason for requesting leave; state that the employee is unable to work or telework, for that specified reason; and provide the date(s) for which leave is requested. The Department of Labor also requires that the Employer obtain documentation supporting the leave request. Documentation may include, for example, a copy of the federal, state, or local quarantine or isolation order related to COVID-19; written documentation from a health care provider advising the individual to self-quarantine due to COVID-19; or documentation from the employee's child's school or childcare provider of closure (such as website posting or email).

INFORMATIONAL MEMORANDUM

Tukwila Pool Metropolitan Park District

TO: Tukwila Pool MPD Board of Commissioners

FROM: Brad Harpin, Director of Aquatics Operations

DATE: July 13, 2020

SUBJECT: COVID-19 Exposure Control Plan/Response

ISSUE

The Tukwila Pool is required to implement written documentation regarding COVID-19 exposure and our response plan prior to reopening our facility for public use.

FINANCIAL IMPACT

None

BACKGROUND

Guidance from the Washington State Governor's office regarding Restart COVID-19 Requirements states:

Prior to reopening, all water recreation facilities are required to develop for each location a comprehensive COVID-19 exposure control, mitigation and recovery plan. The plan must include policies regarding the following control measures: PPE utilization; on-location physical distancing; hygiene; sanitation; symptom monitoring; incident reporting; location disinfection procedures; COVID-19 safety training; exposure response procedures and a post-exposure incident project-wide recovery plan. A copy of the plan must be available at the location and available for inspection by state and local authorities. Failure to meet posting requirements will result in sanctions, including the location being shut down.

DISCUSSION

The Director of Aquatics Operations has utilized a WCIA COVID-19 toolkit template to create the Exposure Control Plan/Response procedure.

RECOMMENDATION

Informational purposes only

COVID-19 Exposure Control Plan/Response

COMPANY NAME:	Tukwila Pool Metropolitan Park District
PLACE OF BUSINESS:	Tukwila Pool
ADDRESS:	4414 S 144 th Street, Tukwila, WA 98168
BUSINESS OWNER:	
	Bradley Harpin – Dir. Of Aquatics Operations
SAFETY PLAN LEAD NAME	
CONTACT INFORMATION:	
DATE ISSUED:	7/10/2020
DATE UPDATED:	7/10/2020

In response to the novel coronavirus disease (COVID-19) pandemic, the Tukwila Pool Metropolitan Park District has developed a COVID-19 Safety Plan.

This Safety Plan relies on a common understanding of a "multiple barrier approach" to reduce exposure and transmission of the COVID-19 virus. Simply put, people will be safer, and businesses will be stronger when multiple barriers separate them from the virus.

Barriers include (but are not limited to):

- Personal health & hygiene be aware & stay home if you are sick and avoid touching your face
- Hand washing effective and frequent
- Masking face masks as recommended by CDC, required by Washington State.
- Social distancing aware of yourself and others, maintain 6 feet of separation
- Cleaning of workspace effective and frequent
- Work planning to maximize social distancing
- Workplace health screening a collective commitment to others in the workplace
- Personal Protective Equipment (PPE) as appropriate
- Workplace policies & procedures to support and encourage implementation of multiple barriers

We are currently training all employees and customers, who visit our organization on the "multiple barrier approach" and content of the plan along with the guidelines issued by the State of Washington (Office of the Governor) and local public health authorities (King County Public Health). We will be actively updating and managing the plan and our response as we receive new information or updated guidelines.

Our Safety Plan Lead, Dir. Of Aquatics Operations or designees will be providing the training on the Plan and will be posting additional information at the pool. The training will also include information from the <u>Center for Disease Control and Prevention</u> (CDC), <u>Department of Labor and Industries</u> (LNI), Department of Health (DOH), and <u>King County Public Health</u>.

Training and educational documents will be provided in <u>other languages</u> as needed to ensure that our entire workforce will be trained in their native language. If additional language needs cannot be met, the King County Public Health may assist with this request.

This Safety Plan follows the guidelines published by the Washington State Department of Labor and Industries, Publication <u>F414-164-000</u> (04-2020).

PURPOSE OF PLAN

The purpose of this Plan is to identify and communicate the Tukwila Pools COVID-19 Safety Plan for protecting the health of all employees, customers, or any visitor of the Tukwila Pool. This Plan is effective immediately in response to the current COVID-19 pandemic.

RESPONSIBILITY OF MANAGERS AND SUPERVISORS

The Tukwila Pool will designate a Safety Plan Lead and site-specific COVID-19 supervisor, a Safety Plan lead will be on duty during all operating hours. The designated supervisor will monitor the health of employees and enforce the COVID-19 Safety Plan.

Location	Designated COVID-19 Lead
Tukwila Pool 4414 S 144 th St, Tukwila, WA 98168	Bradley Harpin – Dir. of Aquatics Operations
Tukwila Pool 4414 S 144 th St, Tukwila, WA 98168	Jessica Stiles – Assistant Aquatics Manager
Tukwila Pool 4414 S 144 th St, Tukwila, WA 98168	Austin Stowers – Assistant Aquatics Manager
Tukwila Pool 4414 S 144 th St, Tukwila, WA 98168	Justin Stowers – Assistant Aquatics Manager

All managers, supervisors, and the COVID-19 Safety Plan Lead must be familiar with this plan and be ready to answer questions from employees. Managers must set a good example by following this Plan. The COVID-19 Safety Plan Lead must practice active managerial control to ensure employee compliance with this Plan, which includes the following actions:

- Train all current employees on this plan immediately and train new employees before they begin their employment
- Visually monitor employee safety behavior at regular intervals throughout the day
- Immediately correct employee behavior when they do not adhere to the safety steps laid out in the Plan. Re-train employees who require frequent correction
- Modify the plan or process as needed to increase compliance
- Provide written and graphic materials when available to increase visibility of policies to employees

COMMUNICATION

The Safety Plan Lead (or others as designated) will direct all communications regarding COVID-19 and the Tukwila Pools responses, both within the Organization and externally. Internal communications will be provided via (choose one or more):

☐ Email	☐ In-person meetings	\square Posting to website portal		
	Frequency:			
	Location:			
☐ Text messages	☐ Posted in communal work area	□ Other:		
Educational resources about COVID-19 illness and preparedness measures to control exposure and spreading of the illness are available (choose one or more):				
□ Posted in communal work area	☐ Posting to website portal	□ Other:		

The Safety Plan Lead or designee will provide notification to employees, customers, and others visiting the business of any operational changes and will provide frequent updates throughout the course of the COVID-19 pandemic. They will monitor for public health updates and issue advisories and alerts as conditions change. The Safety Plan Lead or designee will notify all affected parties when the outbreak impacts our ability to perform services and will provide updates when the organizations operations resume.

EMPLOYEE RESPONSIBILITY:

Please be responsible for your own health and ensure you participate in our "multiple barrier" prevention efforts while at work. To minimize the spread of COVID-19 at the pool, everyone must play their part. We are instituting various housekeeping, physical distancing, and other best practices at the pool to prevent the spread of COVID-19. All employees must follow these practices. Specific question about this plan or COVID-19, should be directed to your manager or supervisor.

You are expected to report to your managers, if you are experiencing signs or symptoms of COVID-19, as described below.

The following symptoms are consistent with COVID-19 and may be cause for heightened safety measures. A display of these symptoms as identified below is called "COVID-like illness" (CLI) until an official COVID-19 test and diagnosis is made.

One of the following symptoms:

- Cough
- Shortness of breath or difficulty breathing

Or at least two of the following symptoms:

- Fever (subjective or measured)
- Chills
- Repeated shaking with chills
- Muscle pain
- Headache
- Sore throat
- New loss of taste or smell

If you have any of these symptoms or a combination of these symptoms, **YOU MUST STARY HOME.** Do not come to work until you are free of symptoms for at least 72 hours, without the use of medicine, as <u>recommended by the CDC</u>.

Best practices for control and prevention, regardless of exposure risk are:

- Frequently wash your hands with soap and water for at least 20 seconds. When soap and running water are unavailable, use an alcohol-based hand sanitizer with at least 60% alcohol
- Avoid touching your eyes, nose, or mouth
- Cover your mouth and nose with a tissue when you cough or sneeze. If you don't
 have a tissue, cough or sneeze into your elbow, not your hands. Then wash hands
 or use sanitizer

- Avoid close contact (standing within 6 feet) with others at all times
- Use a face mask or covering when you must have close contact with others

Employees are encouraged to communicate with the Dir. of Aquatics Operations to address and resolve any workplace health or safety concerns. Workplace safety complaints about coronavirus or other issues can be filed by calling L&I directly at 1-800-423-7233

WORKSITE PROTECTIVE MEASURES

GENERAL SAFETY POLICIES AND PROCEDURES

- Signs will be posted at the entrance discouraging any person who is showing symptoms of COVID-like illness from entering the pool. Customers who are symptomatic must go/stay home.
- Physical Distancing Policy:

All Employees and volunteers must maintain at least six feet of physical distance from each other, when feasible. Breaks and lunches will be staggered to prevent the groupings of staff and require a least six-feet between employees.

All meetings will be held virtually unless physical distancing can be maintained in the meeting room. Virtual meetings will be held by phone or video conferencing.

If shift work is necessary, the Tukwila Pool will require employees to remain on their dedicated shifts. If there is a legitimate reason for a employee to change shifts, this may or may not be accommodated to ensure the safety of all employees.

In an office setting:

Where workstations cannot be separated, barriers to create an effective 6 foot separation will be provided. Work schedules will be staggered so employees do not crowd when they arrive and leave work.

- Employee Hygiene Policy:
 - The Tukwila Pool will provide hand washing stations and hand sanitizer in the following locations:

Service	Location	Maintenance frequency
Hand sanitizer	Lifeguard Station	Once per day
Hand sanitizer	Front Desk – Customer Counter	Once per day
Hand sanitizer	Front Desk – Employee Counter	Once per day
Hand Washing Station	Men's / Women's Locke Room	Four times per day
Hand Washing Station	Family Changing Rooms	Four times per day
Hand Washing Station	Staff Locker Rooms	Four times per day
Hand Washing Station	Storage Room	Four times per day

- If you find maintenance or servicing is required, the COVID-19 Safety Lead will be notified immediately.
- Employees must wash their hands with warm, soapy water for 20 seconds upon entering the worksite, before and after eating or smoking, after visiting a public area, after touching high-use equipment (such as copier), after blowing their nose, and prior to leaving the job-site. If soap is not available, use hand sanitizer with at least 60% alcohol.
- Cover your cough and sneeze with tissues, or cough and sneeze into your elbow shirt sleeve.

Visitors to the Workplace

- Entrances to the business will be controlled and monitored. Customers, contractors, vendors, and visitors will be screened for COVID-19 symptoms and required to maintain physical distancing.
- Contractors or Vendors must sign-in (out) of the facility
- Contractors or vendors must wash or sanitize their hands upon entering the work area.

Personal Protective Equipment and Engineering Controls

- The Tukwila Pool will provide and train employees on the use of personal protective equipment (PPE) such as gloves and face coverings as appropriate, for the activity being performed.
- The Tukwila Pool requires employees wear a cloth face covering if they are required to work within six feet of another employee or customer.
- The Tukwila Pool will provide physical barriers or marking to indicate physical distance of 6- feet in areas where lines or gathering may occur. Break and lunchrooms will have marking to show the required spacing between employees.
- When feasible, the Tukwila Pool will provide physical barriers to separate employee workstations.

Employee Health Screenings

The Tukwila Pool will screen all employees, contractors, and sub-contractors arriving at the pool/worksite. Screening will consist of the following (example screening questions):

YES or NO, since your last day of work, or since your last visit to this facility, have you had any of the following:

- A new fever (100.4°F or higher), or a sense of having a fever?
- A new cough you cannot attribute to another health condition?
- New shortness of breath you cannot attribute to another health condition?
- A new sore throat you cannot attribute to another health condition?
- New muscle aches (myalgia) you cannot attribute to another health condition, or may have been caused by a specific activity (such as physical exercise)?
- New loss of taste or smell?
- Have you been near anyone diagnosed with COVID-19?

In addition, all employees will be required to measure their temperature prior to each workday. The Tukwila Pool will provide an infrared digital thermometer for employees to screen at the entrance.

If an employee or visitor answers YES to any of the screening questions or has a measured body temperature of 100.4°F or above, they must immediately notify the COVID-19 Safety Lead. The designated screener, or COVID-19 Safety Lead must:

- Review of the screening results for accuracy. If a fever was measured, re-take the employees body temperature to verify results.
- If results appear accurate, immediately exclude the employee from work (send them home) and provide them guidance on isolation while they are ill.
- Remind the employee to continue monitoring symptoms and encourage them to visit their health care provider when possible.
- Remind the employee to communicate with you during their isolation. Results of COVID-19 tests should be communicated to the COVID-19 Safety Lead for follow up.

CLEANING AND DISINFECTION

The Tukwila Pool has instituted regular housekeeping, including cleaning and disinfection of frequently used equipment and high touch surfaces (doorknobs, railings, etc.). Employees should regularly do the same in their personal work areas.

Chemicals capable of disinfection must be used on surfaces to eliminate COVID-19. All disinfectants provided by the Company will be approved for use by the EPA and can be found at https://www.epa.gov/pesticide-registration/list-n-disinfectants-use-against-sars-cov-2. A Safety Data Sheet will be maintained at each site at <eprovide location>. The following chemical disinfectants have been selected for use on shared equipment and high touch surfaces:

Chemical Name	Manufacturer	Storage location

Shared areas such breakrooms, lunchrooms, restrooms, and conference rooms will be cleaned at least (choose one of the following):

Location	Maintenance frequenc	y Assigned to

- Cleaning supplies are available for employees throughout the worksite at the above listed locations.
- High-touch surfaces, such as handrails, doorknobs, keyboards, mice, telephones, shared equipment and tools, pens, and clipboards should be cleaned using disinfectants listed above.
- Each chemical has an associated "contact time" listed on the directions. Surfaces must remain wet for this amount of time to effectively disinfect. Employees designated to disinfect will be trained on, and adhere to, listed contact times.

EXPOSURE PLAN

Recognizing COVID-19 Symptoms

COVID-19 symptoms include a fever, persistent cough, and shortness of breath, but may also include headache, sore throat, chills, or loss in taste or smell. If you think you have these symptoms, contact the Safety Plan Lead (or other designee) and go home, self-isolate, and contact your health provider. If you think someone in your workplace has these symptoms, contact the Safety Plan Lead (or other designee) on follow-up procedures.

NOTE: Work with the Director of Aquatics Operations and local public health officials to ensure the completion of necessary required follow-up procedures in the event of suspected COVID-19 individual.

Response Protocol for a confirmed COVID-19 Case:

In the event a employee or customer tests positive for COVID-19, the Company will perform cleaning and disinfection of areas and buildings frequented by this individual in accordance with CDC guidelines. The Company will contact others who may have come into contact with this individual and follow exposure follow up actions as stated above.

Except for circumstances in which the Company is legally required to report workplace occurrences of communicable disease, the confidentiality of all medical conditions will be maintained in accordance with applicable law and to the extent practical under the circumstances. When it is required, the number of persons who will be informed that an unnamed employee has tested positive will be kept to the minimum needed to comply with reporting requirements and to limit the potential for transmission to others. We reserve the right to inform other employees that an unnamed co-employee has been diagnosed with COVID-19 if the other employees might have been exposed to the disease so the employees may take measures to protect their own health. We also reserve the right to inform sub- contractors, vendors, suppliers, customers or visitors that an unnamed employee has been diagnosed with COVID-19 if they might have been exposed to the disease so those individuals may take measures to protect their own health.

Appendix B: COVID Exposure Definitions and Procedures

Employees who have been exposed to COVID-19

Steps for Employees:

Do	Don't
Take your temperature before work	Stay at work if you become sick
Wear cloth face covering always	Share headsets or objects used near the face
Practice social distancing at workplace as work duties permit	Congregate in the breakroom or other crowded spaces

Steps for Employer:

DO

- Take employees temperature and assess symptoms before starting work
- If an employee gets sick or reports to work feeling sick, send them home immediately
- Test the use of cloth face coverings to make sure they do not interfere with workflow
- Increase air exchange in the building
- Increase the frequency of cleaning of commonly touched surfaces

COVID-19 Exposure Definitions & Procedures

Potential Exposure: A potential exposure means being a household contact or having close contact within 6 feet of an individual with confirmed or suspected COVID-19. The timeframe for having contact with an individual include the period of time of 48 hour before the individual became symptomatic.

Confirmed COVID: A person who is confirmed by local authorities as having COVID-19.

Probable COVID: A person displaying mild respiratory flu-like symptoms that had a known contact with a confirmed COVID-19 case or has travelled to one of the high risk areas as defined by the CDC.

Unrelated illness: A person displaying illness unrelated to COVIC-19

COVID Symptoms (may appear 2-14 days after exposure): Fever 100.4 or higher, cough, shortness of breath or trouble breathing, chills, repeated shaking with chills, muscle pain, headache sore throat, new loss of taste or smell.

Self-Quarantine: Quarantine is used to keep someone who might be have been exposed to COVID-19 away from others. Someone in self-quarantine stays separated from others.

Close Contact: Being within approximately 6 feet of a COVID-19 case for 10 minutes or more; close contact can occur while caring for, living with, visiting, or sharing a hospital room or other with a COVID-19 case — **or**— having direct contact with infectious secretions of a COVID-19 case (e.g. being coughed on).

Self-Monitor: Individuals monitor themselves for fever by taking their temperatures twice a day and remain alert for cough or difficulty breathing. If they feel feverish or develop measured fever (over 100.4 degrees), cough, or difficulty breathing during the self-monitoring period, they should not report to work and contact their supervisor.

Employee Signature	Date
